ST. PETERSBURG CITY COUNCIL
Report
Meeting of March 5, 2020

TO: The Honorable Ed Montanari, Chair and Members of City Council

SUBJECT: A Resolution approving the Local Agency Program Agreement ("Agreement") between the State of Florida Department of Transportation ("FDOT") and the City of St. Petersburg, Florida ("City"); for participation by FDOT in the construction services of the 40th Avenue NE Over Placido Bayou Bridge (#157154) Replacement Project ("Project") in an amount not to exceed $3,734,105; authorizing the Mayor or his designee to execute the Agreement and all other necessary documents to effectuate this transaction; approving a supplemental appropriation in the amount of $3,734,105 from the increase in the unappropriated balance of the General Capital Improvement Fund (3001), resulting from these additional revenues, to the 157154 40th Av/NE Placido Bayou Project (16677); approving a supplemental appropriation in the amount of $1,399,000 from the increase in the unappropriated balance of the General Capital Improvement Fund (3001) resulting from the proceeds of a non-ad valorem revenue note, Series 2020, to the 157154 40th Av/NE Placido Bayou Project (16677); and providing an effective date. (FOOT Financial Project No. 443600 1 A8/58/68 01; ECID Project No. 18032-110; Oracle No. 16677)

EXPLANATION: The 40th Avenue NE over Placido Bayou Bridge (Bridge No. 157154 - New Bridge No. 157268) connects to the Shore Acres area. The bridge was built in 1961 and widened in 1991. The Florida Department of Transportation ("FDOT") inspects all bridges within the public right of way on a bi­annual schedule, with the inspection reports submitted to each governing agency to review and conduct repairs and maintenance as required.

During routine maintenance of the bridge in August 2017, the City discovered further deficiency to the bridge which resulted in the closing of the bridge. The City implemented a modified traffic pattern to maintain safe access for residents and essential services. This modified traffic pattern shifted vehicular traffic to the outer edges of the bridges which was widened in 1991 and did not exhibit the deterioration exhibited in other sections. The bridge was further analyzed and deemed structurally deficient, however with placement of weight and speed restrictions, along with the realignment of travel lanes, allowed the bridge to remain a safe option for the traveling public until it can be replaced.

The City coordinated with FDOT to secure funding to supplement the Construction Phase. The Project Planning and Design Phase was developed under Florida Department of Transportation Local Agency Program (FDOT LAP) to allow for future reimbursement.

The City received LAP certification in August 2000 and updated LAP certification in April 25, 2017 to provide design, bid/award, and construction oversight services for federally funded projects within City limits. This project will be performed in accordance with all applicable FDOT procedures, guidelines, manuals, standards, and directives as described in the FDOT LAP Manual.

The City issued a Request for Qualifications and on March 15, 2018, City Council approved an A/E Agreement between the City of St. Petersburg, Florida and Cardno, Inc. ("A/E") for the planning phase of the 40th Avenue NE over Placido Bayou Bridge (Bridge No. 157154 - New Bridge No. 157268) Replacement Project.

On June 7, 2018, City Council approved the First Amendment to the Agreement authorizing bridge project development phase services that include public involvement, geotechnical engineering services, survey,
bridge hydraulics report, bridge development report, and all necessary documentation to comply with the National Environmental Policy Act (NEPA).

On June 11, 2018, a Public Meeting was held at Shore Acres Recreation Center. This meeting was an open house format where staff spoke with attendees and provided information on the project. Information was also gathered regarding feedback on key aspects of the project and elements essential to be considered to be incorporated into the new bridge.

On October 4, 2018, City Council approved the Second Amendment to the Agreement authorizing the final design phase to include for continued public engagement, structure, roadway, drainage and lighting design, permitting and bidding phase service.

On November 27, 2018, a Public Workshop was held at North East Park Baptist Church for attendees to preview exhibits and provide their preferences on design elements such as barriers, lighting, and lane configurations that were critical to be incorporated in the new bridge following up with a presentation to provide update on the project.

On September 10, 2019, as part of the National Environmental Protection Agency ("NEPA") requirements, a public hearing was held at North East Park Baptist Church, for Project Development and Environment ("PD&E") Study and Public Involvement Plan for the bridge replacement to assist in providing information to and obtaining input from concerned citizens, agencies, residents, businesses, and government entities. Public hearing documents were on display from Aug 20, 2019 thru Sept 20, 2019 at three locations; Shore Acres Recreation Center, St. Petersburg Main Library, and Municipal Services Center (MSC) building.

The design phase is scheduled to be completed by Spring 2020.

Construction is planned to begin in Fall 2020 and be completed approximately 18 months thereafter.

The estimated contractor construction cost is $10,311,198, of which, under this agreement, FDOT will provide reimbursement in the amount of $3,734,105.

Project costs related to construction by contractor will be borne initially by the City, and the City will recoup part of the related project costs from FDOT.

This project will be performed in accordance with all applicable FDOT procedures, guidelines, manuals, standards, and directives as described in the FDOT LAP Manual.

RECOMMENDATION: Administration recommends City Council approve a Local Agency Program Agreement ("Agreement") between the State of Florida Department of Transportation ("FDOT") and the City of St. Petersburg, Florida ("City"); for participation by FDOT in the construction services of the 40th Avenue NE Over Placido Bayou Bridge (#157154) Replacement Project ("Project") in an amount not to exceed $3,734,105; authorizing the Mayor or his designee to execute the Agreement and all other necessary documents to effectuate this transaction; authorizing a supplemental appropriation in the amount of $3,734,105 from the increase in the unappropriated balance of the General Capital Improvement Fund (3001), resulting from these additional revenues, to the 157154 40th Av/NE Placido Bayou Project (16677); approving a supplemental appropriation in the amount of $1,399,000 from the increase in the unappropriated balance of the General Capital Improvement Fund (3001) resulting from the proceeds of a non-ad valorem revenue note, Series 2020, to the 157154 40th Av/NE Placido Bayou Project (16677); and providing an effective date. (FDOT Financial Project No. 443600 1 A8/58/68 01; ECID Project No. 18032-110; Oracle No. 16677)
COST/FUNDING/ASSESSMENT INFORMATION: A portion of the funding has been previously appropriated in the General Capital Improvement Fund (3001) and Citywide Infrastructure Capital Improvement Fund (3027), 157154 40 Av/NE Placido Bayou Project (16677). Additional funding will be available after the approval of a supplemental appropriation in the amount of $3,734,105 from the increase in the unappropriated balance of the General Capital Improvement Fund (3001), resulting from these additional revenues, to the 157154 40 Av/NE Placido Bayou Project (16677); and approval of a supplemental appropriation in the amount of $1,399,000 from the increase in the unappropriated balance of the General Capital Improvement Fund (3001) resulting from the proceeds of a non-ad valorem revenue note, Series 2020, to the 157154 40th Av/NE Placido Bayou Project (16677) to provide the necessary funding for the city’s portion, engineering services, and other soft costs.

THIS LOCAL AGENCY PROGRAM AGREEMENT ("Agreement"), is entered into on
____________________  , by and between the State of Florida Department of Transportation, an agency
of the State of Florida ("Department"), and City of St. Petersburg ("Recipient").

NOW, THEREFORE, in consideration of the mutual benefits to be derived from joint participation on the Project, the Parties
agree to the following:

1. Authority: The Department is authorized to enter into this Agreement pursuant to Section 339.12, Florida
Statutes. The Recipient by Resolution or other form of official authorization, a copy of which is attached as
Exhibit "D" and made a part of this Agreement, has authorized its officers to execute this Agreement on its
behalf.

2. Purpose of Agreement: The purpose of this Agreement is to provide for the Department's participation in the
construction of 40th Avenue NE over Placido Bayou Bridge (#157154) replacement project, as further described
in Exhibit "A", Project Description and Responsibilities attached to and incorporated in this Agreement
("Project"), to provide Department financial assistance to the Recipient; state the terms and conditions upon
which Department funds will be provided; and to set forth the manner in which the Project will be undertaken
and completed.

3. Term of Agreement: The Recipient agrees to complete the Project on or before 7/29/2022. If the Recipient
does not complete the Project within this time period, this Agreement will expire on the last day of the scheduled
completion as provided in this paragraph unless an extension of the time period is requested by the Recipient
and granted in writing by the Department prior to the expiration of this Agreement. Expiration of this Agreement
will be considered termination of the Project. The cost of any work performed after the term of this Agreement
will not be reimbursed by the Department.

4. Project Cost:
   a. The estimated cost of the Project is $10,311,198.00. This amount is based upon the Schedule of Financial
      Assistance in Exhibit "B", attached to and incorporated in this Agreement. Exhibit "B" may be modified
      by mutual execution of an amendment as provided for in paragraph 5.i.
   b. The Department agrees to participate in the Project cost up to the maximum amount of $3,734,105.00 and
      as more fully described in Exhibit "B". This amount includes Federal-aid funds which are limited to the
      actual amount of Federal-aid participation. The Department's participation may be increased or reduced
      upon determination of the actual bid amounts of the Project by the mutual execution of an amendment.
      The Recipient agrees to bear all expenses in excess of the total cost of the Project and any deficits incurred
      in connection with the completion of the Project.
   c. Project costs eligible for Department participation will be allowed only from the date of this Agreement. It
      is understood that Department participation in eligible Project costs is subject to:
i. Legislative approval of the Department's appropriation request in the work program year that the Project is scheduled to be committed;

ii. Availability of funds as stated in paragraphs 5.1. and 5.m. of this Agreement;

iii. Approval of all plans, specifications, contracts or other obligating documents and all other terms of this Agreement; and

iv. Department approval of the Project scope and budget at the time appropriation authority becomes available.

5. Requisitions and Payments

   a. The Recipient shall provide quantifiable, measurable, and verifiable units of deliverables. Each deliverable must specify the required minimum level of service to be performed and the criteria for evaluating successful completion. The Project and the quantifiable, measurable, and verifiable units of deliverables are described more fully in Exhibit “A”.

   b. Invoices shall be submitted by the Recipient in detail sufficient for a proper pre-audit and post-audit based on the quantifiable, measurable and verifiable units of deliverables as established in Exhibit “A”. Deliverables must be received and accepted in writing by the Department's Project Manager prior to payments. Requests for reimbursement by the Recipient shall include an invoice, progress report and supporting documentation for the period of services being billed that are acceptable to the Department. The Recipient shall use the format for the invoice and progress report that is approved by the Department.

   c. The Recipient shall charge to the Project account all eligible costs of the Project except costs agreed to be borne by the Recipient or its contractors and subcontractors. Costs in excess of the programmed funding or attributable to actions which have not received the required approval of the Department shall not be considered eligible costs. All costs charged to the Project, including any approved services contributed by the Recipient or others, shall be supported by properly executed payrolls, time records, invoices, contracts or vouchers evidencing in proper detail the nature and propriety of the charges.

   d. Supporting documentation must establish that the deliverables were received and accepted in writing by the Recipient and must also establish that the required minimum level of service to be performed based on the criteria for evaluating successful completion as specified in Exhibit “A” was met. All costs invoiced shall be supported by properly executed payrolls, time records, invoices, contracts or vouchers evidencing in proper detail the nature and propriety of charges as described in Exhibit “F”, Contract Payment Requirements.

   e. Bills for travel expenses specifically authorized in this Agreement shall be submitted on the Department's Contractor Travel Form No. 300-000-06 and will be paid in accordance with Section 112.061, Florida Statutes and the most current version of the Disbursement Handbook for Employees and Managers.

   f. Payment shall be made only after receipt and approval of goods and services unless advance payments are authorized by the Chief Financial Officer of the State of Florida under Chapters 215 and 216, Florida Statutes or the Department's Comptroller under Section 334.044(29), Florida Statutes.

   If this box is selected, advance payment is authorized for this Agreement and Exhibit “H”, Alternative Advance Payment Financial Provisions is attached and incorporated into this Agreement.

If the Department determines that the performance of the Recipient is unsatisfactory, the Department shall notify the Recipient of the deficiency to be corrected, which correction shall be made within a time-frame to be specified by the Department. The Recipient shall, within thirty (30) days after notice from the Department, provide the Department with a corrective action plan describing how the Recipient will address all issues of contract non-performance, unacceptable performance, failure to meet the minimum performance levels, deliverable deficiencies, or contract non-compliance. If the corrective action plan is unacceptable to the
Department, the Recipient will not be reimbursed to the extent of the non-performance. The Recipient will not be reimbursed until the Recipient resolves the deficiency. If the deficiency is subsequently resolved, the Recipient may bill the Department for the unpaid reimbursement request(s) during the next billing period. If the Recipient is unable to resolve the deficiency, the funds shall be forfeited at the end of the Agreement's term.

g. Agencies providing goods and services to the Department should be aware of the following time frames. Inspection and approval of goods or services shall take no longer than 20 days from the Department’s receipt of the invoice. The Department has 20 days to deliver a request for payment (voucher) to the Department of Financial Services. The 20 days are measured from the latter of the date the invoice is received or the goods or services are received, inspected, and approved.

If a payment is not available within 40 days, a separate interest penalty at a rate as established pursuant to Section 55.03(1), F.S., will be due and payable, in addition to the invoice amount, to the Recipient. Interest penalties of less than one (1) dollar will not be enforced unless the Recipient requests payment. Invoices that have to be returned to an Recipient because of Recipient preparation errors will result in a delay in the payment. The invoice payment requirements do not start until a properly completed invoice is provided to the Department.

A Vendor Ombudsman has been established within the Department of Financial Services. The duties of this individual include acting as an advocate for Agencies who may be experiencing problems in obtaining timely payment(s) from a state agency. The Vendor Ombudsman may be contacted at (850) 413-5516.

h. The Recipient shall maintain an accounting system or separate accounts to ensure funds and projects are tracked separately. Records of costs incurred under the terms of this Agreement shall be maintained and made available upon request to the Department at all times during the period of this Agreement and for five years after final payment is made. Copies of these documents and records shall be furnished to the Department upon request. Records of costs incurred include the Recipient's general accounting records and the project records, together with supporting documents and records, of the contractor and all subcontractors performing work on the project, and all other records of the Contractor and subcontractors considered necessary by the Department for a proper audit of costs.

i. Prior to the execution of this Agreement, a Project schedule of funding shall be prepared by the Recipient and approved by the Department. The Recipient shall maintain said schedule of funding, carry out the Project, and shall incur obligations against and make disbursements of Project funds only in conformity with the latest approved schedule of funding for the Project. The schedule of funding may be revised by execution of a Local Agency Program ("LAP") Supplemental Agreement between the Department and the Recipient. The Recipient acknowledges and agrees that funding for this project may be reduced upon determination of the Recipient’s contract award amount.

j. If, after Project completion, any claim is made by the Department resulting from an audit or for work or services performed pursuant to this Agreement, the Department may offset such amount from payments due for work or services done under any agreement which it has with the Recipient owing such amount if, upon demand, payment of the amount is not made within 60 days to the Department. Offsetting any amount pursuant to this paragraph shall not be considered a breach of contract by the Department.

k. The Recipient must submit the final invoice on the Project to the Department within 120 days after the completion of the Project. Invoices submitted after the 120-day time period may not be paid.

l. The Department’s performance and obligation to pay under this Agreement is contingent upon an annual appropriation by the Legislature. If the Department’s funding for this Project is in multiple fiscal years, funds approval from the Department’s Comptroller must be received each fiscal year prior to costs being incurred. See Exhibit “B” for funding levels by fiscal year. Project costs utilizing these fiscal year funds are not eligible for reimbursement if incurred prior to funds approval being received. The Department will notify the Recipient, in writing, when funds are available.

m. In the event this Agreement is in excess of $25,000 and has a term for a period of more than one year, the provisions of Section 339.135(6)(a), Florida Statutes, are hereby incorporated:
"The Department, during any fiscal year, shall not expend money, incur any liability, or enter into any contract which, by its terms, involves the expenditure of money in excess of the amounts budgeted as available for expenditure during such fiscal year. Any contract, verbal or written, made in violation of this subsection is null and void, and no money may be paid on such contract. The Department shall require a statement from the comptroller of the Department that funds are available prior to entering into any such contract or other binding commitment of funds. Nothing herein contained shall prevent the making of contracts for periods exceeding 1 year, but any contract so made shall be executory only for the value of the services to be rendered or agreed to be paid for in succeeding fiscal years, and this paragraph shall be incorporated verbatim in all contracts of the Department which are for an amount in excess of $25,000 and which have a term for a period of more than 1 year."

6. Department Payment Obligations:

Subject to other provisions of this Agreement, the Department will honor requests for reimbursement to the Recipient pursuant to this Agreement. However, notwithstanding any other provision of this Agreement, the Department may elect by notice in writing not to make a payment if:

a. The Recipient shall have made misrepresentation of a material nature in its application, or any supplement or amendment to its application, or with respect to any document or data furnished with its application or pursuant to this Agreement;

b. There is any pending litigation with respect to the performance by the Recipient of any of its duties or obligations which may jeopardize or adversely affect the Project, the Agreement or payments to the Project;

c. The Recipient shall have taken any action pertaining to the Project which, under this Agreement, requires the approval of the Department or has made a related expenditure or incurred related obligations without having been advised by the Department that same are approved;

d. There has been any violation of the conflict of interest provisions contained in paragraph 14.f.; or

e. The Recipient has been determined by the Department to be in default under any of the provisions of the Agreement.

The Department may suspend or terminate payment for that portion of the Project which the Federal Highway Administration ("FHWA"), or the Department acting in lieu of FHWA, may designate as ineligible for Federal-aid.

In determining the amount of the payment, the Department will exclude all Project costs incurred by the Recipient prior to the Department’s issuance of a Notice to Proceed ("NTP"), costs incurred after the expiration of the Agreement, costs which are not provided for in the latest approved schedule of funding in Exhibit "B" for the Project, costs agreed to be borne by the Recipient or its contractors and subcontractors for not meeting the Project commencement and final invoice time lines, and costs attributable to goods or services received under a contract or other arrangements which have not been approved in writing by the Department.

7. General Requirements:

The Recipient shall complete the Project with all practical dispatch, in a sound, economical, and efficient manner, and in accordance with the provisions in this Agreement, and all applicable laws. The Project will be performed in accordance with all applicable Department procedures, guidelines, manuals, standards, and directives as described in the Department’s Local Agency Program Manual (FDOT Topic No. 525-010-300), which by this reference is made a part of this Agreement. Time is of the essence as to each and every obligation under this Agreement.

a. A full time employee of the Recipient, qualified to ensure that the work being pursued is complete, accurate, and consistent with the terms, conditions, and specifications of this Agreement shall be in responsible charge of the Project, which employee should be able to perform the following duties and functions:

   i. Administers inherently governmental project activities, including those dealing with cost, time,
adherence to contract requirements, construction quality and scope of Federal-aid projects;

ii. Maintains familiarity of day to day Project operations, including Project safety issues;

iii. Makes or participates in decisions about changed conditions or scope changes that require change orders or supplemental agreements;

iv. Visits and reviews the Project on a frequency that is commensurate with the magnitude and complexity of the Project;

v. Reviews financial processes, transactions and documentation to ensure that safeguards are in place to minimize fraud, waste, and abuse;

vi. Directs Project staff, agency or consultant, to carry out Project administration and contract oversight, including proper documentation;

vii. Is aware of the qualifications, assignments and on-the-job performance of the Recipient and consultant staff at all stages of the Project.

b. Once the Department issues the NTP for the Project, the Recipient shall be obligated to submit an invoice or other request for reimbursement to the Department no less than once every 90 days (quarterly), beginning from the day the NTP is issued. If the Recipient fails to submit quarterly invoices to the Department, and in the event the failure to timely submit invoices to the Department results in the FHWA removing any unbilled funding or the loss of state appropriation authority (which may include the loss of state and federal funds, if there are state funds programmed to the Project), then the Recipient will be solely responsible to provide all funds necessary to complete the Project and the Department will not be obligated to provide any additional funding for the Project. The Recipient waives the right to contest such removal of funds by the Department, if the removal is related to FHWA's withdrawal of funds or if the removal is related to the loss of state appropriation authority. In addition to the loss of funding for the Project, the Department will also consider the de-certification of the Recipient for future LAP Projects. No cost may be incurred under this Agreement until after the Recipient has received a written NTP from the Department. The Recipient agrees to advertise or put the Project out to bid thirty (30) days from the date the Department issues the NTP to advertise the Project. If the Recipient is not able to meet the scheduled advertisement, the Department District LAP Administrator should be notified as soon as possible.

c. If all funds are removed from the Project, including amounts previously billed to the Department and reimbursed to the Recipient, and the Project is off the State Highway System, then the Department will have to request repayment for the previously billed amounts from the Recipient. No state funds can be used on off-system projects, unless authorized pursuant to Exhibit "I", State Funds Addendum, which will be attached to and incorporated in this Agreement in the event state funds are used on the Project.

d. In the event that any election, referendum, approval, permit, notice or other proceeding or authorization is required under applicable law to enable the Recipient to enter into this Agreement or to undertake the Project or to observe, assume or carry out any of the provisions of the Agreement, the Recipient will initiate and consummate, as provided by law, all actions necessary with respect to any such matters.

e. The Recipient shall initiate and prosecute to completion all proceedings necessary, including Federal-aid requirements, to enable the Recipient to provide the necessary funds for completion of the Project.

f. The Recipient shall submit to the Department such data, reports, records, contracts, and other documents relating to the Project as the Department and FHWA may require. The Recipient shall make such submissions using Department-designated information systems.

g. Federal-aid funds shall not participate in any cost which is not incurred in conformity with applicable federal and state laws, the regulations in 23 Code of Federal Regulations (C.F.R.) and 49 C.F.R., and policies and procedures prescribed by the Division Administrator of FHWA. Federal funds shall not be paid on account of any cost incurred prior to authorization by FHWA to the Department to proceed with the Project or part thereof involving such cost (23 C.F.R. 1.9 (a)). If FHWA or the Department determines that any amount
claimed is not eligible, federal participation may be approved in the amount determined to be adequately supported and the Department shall notify the Recipient in writing citing the reasons why items and amounts are not eligible for federal participation. Where correctable non-compliance with provisions of law or FHWA requirements exists federal funds may be withheld until compliance is obtained. Where non-compliance is not correctable, FHWA or the Department may deny participation in parcel or Project costs in part or in total. For any amounts determined to be ineligible for federal reimbursement for which the Department has advanced payment, the Recipient shall promptly reimburse the Department for all such amounts within 90 days of written notice.

h. For any project requiring additional right-of-way, the Recipient must submit to the Department an annual report of its real property acquisition and relocation assistance activities on the project. Activities shall be reported on a federal fiscal year basis, from October 1 through September 30. The report must be prepared using the format prescribed in 49 C.F.R. Part 24, Appendix B, and be submitted to the Department no later than October 15 of each year.

8. Audit Reports:

The administration of resources awarded through the Department to the Recipient by this Agreement may be subject to audits and/or monitoring by the Department. The following requirements do not limit the authority of the Department to conduct or arrange for the conduct of additional audits or evaluations of federal awards or limit the authority of any state agency inspector general, the State of Florida Auditor General, or any other state official. The Recipient shall comply with all audit and audit reporting requirements as specified below.

a. In addition to reviews of audits conducted in accordance with 2 CFR Part 200, Subpart F – Audit Requirements, monitoring procedures may include, but not be limited to, on-site visits by Department staff and/or other procedures including, reviewing any required performance and financial reports, following up, ensuring corrective action, and issuing management decisions on weaknesses found through audits when those findings pertain to federal awards provided through the Department by this Agreement. By entering into this Agreement, the Recipient agrees to comply and cooperate fully with any monitoring procedures/processes deemed appropriate by the Department. The Recipient further agrees to comply and cooperate with any inspections, reviews, investigations, or audits deemed necessary by the Department, State of Florida Chief Financial Officer (“CFO”), or State of Florida Auditor General.

b. The Recipient, a non-federal entity as defined by 2 CFR Part 200, as a subrecipient of a federal award awarded by the Department through this Agreement is subject to the following requirements:

i. In the event the Recipient expends a total amount of federal awards equal to or in excess of the threshold established by 2 CFR Part 200, Subpart F – Audit Requirements, the Recipient must have a federal single or program-specific audit for such fiscal year conducted in accordance with the provisions of 2 CFR Part 200, Subpart F – Audit Requirements. Exhibit “E” to this Agreement provides the required federal award identification information needed by the Recipient to further comply with the requirements of 2 CFR Part 200, Subpart F – Audit Requirements. In determining federal awards expended in a fiscal year, the Recipient must consider all sources of federal awards based on when the activity related to the federal award occurs, including the federal award provided through the Department by this Agreement. The determination of amounts of federal awards expended should be in accordance with the guidelines established by 2 CFR Part 200, Subpart F – Audit Requirements. An audit conducted by the State of Florida Auditor General in accordance with the provisions of 2 CFR Part 200, Subpart F – Audit Requirements, will meet the requirements of this part.

ii. In connection with the audit requirements, the Recipient shall fulfill the requirements relative to the auditee responsibilities as provided in 2 CFR Part 200, Subpart F – Audit Requirements.
iii. In the event the Recipient expends less than the threshold established by 2 CFR Part 200, Subpart F – Audit Requirements, in federal awards, the Recipient is exempt from federal audit requirements for that fiscal year. However, the Recipient must provide a single audit exemption statement to the Department at FDOTSingleAudit@dot.state.fl.us no later than nine months after the end of the Recipient's audit period for each applicable audit year. In the event the Recipient expends less than the threshold established by 2 CFR Part 200, Subpart F – Audit Requirements, in federal awards in a fiscal year and elects to have an audit conducted in accordance with the provisions of 2 CFR Part 200, Subpart F – Audit Requirements, the cost of the audit must be paid from non-federal resources (i.e., the cost of such an audit must be paid from the Recipient’s resources obtained from other than federal entities).

iv. The Recipient must electronically submit to the Federal Audit Clearinghouse ("FAC") at https://harvester.census.gov/facweb/ the audit reporting package as required by 2 CFR Part 200, Subpart F – Audit Requirements, within the earlier of 30 calendar days after receipt of the auditor's report(s) or nine months after the end of the audit period. The FAC is the repository of record for audits required by 2 CFR Part 200, Subpart F – Audit Requirements, and this Agreement. However, the Department requires a copy of the audit reporting package also be submitted to FDOTSingleAudit@dot.state.fl.us within the earlier of 30 calendar days after receipt of the auditor's report(s) or nine months after the end of the audit period as required by 2 CFR Part 200, Subpart F – Audit Requirements.

v. Within six months of acceptance of the audit report by the FAC, the Department will review the Recipient's audit reporting package, including corrective action plans and management letters, to the extent necessary to determine whether timely and appropriate action on all deficiencies has been taken pertaining to the federal award provided through the Department by this Agreement. If the Recipient fails to have an audit conducted in accordance with 2 CFR Part 200, Subpart F – Audit Requirements, the Department may impose additional conditions to remedy noncompliance. If the Department determines that noncompliance cannot be remedied by imposing additional conditions, the Department may take appropriate actions to enforce compliance, which actions may include but not be limited to the following:

1. Temporarily withhold cash payments pending correction of the deficiency by the Recipient or more severe enforcement action by the Department;
2. Disallow (deny both use of funds and any applicable matching credit for) all or part of the cost of the activity or action not in compliance;
3. Wholly or partly suspend or terminate the federal award;
4. Initiate suspension or debarment proceedings as authorized under 2 C.F.R. Part 180 and federal awarding agency regulations (or in the case of the Department, recommend such a proceeding be initiated by the federal awarding agency);
5. Withhold further federal awards for the Project or program;
6. Take other remedies that may be legally available.

vi. As a condition of receiving this federal award, the Recipient shall permit the Department or its designee, the CFO, or State of Florida Auditor General access to the Recipient’s records including financial statements, the independent auditor’s working papers, and project records as necessary. Records related to unresolved audit findings, appeals, or litigation shall be retained until the action is complete or the dispute is resolved.

vii. The Department’s contact information for requirements under this part is as follows:

Office of Comptroller, MS 24
605 Suwannee Street
Tallahassee, Florida 32399-0450
FDOTSingleAudit@dot.state.fl.us

c. The Recipient shall retain sufficient records demonstrating its compliance with the terms of this Agreement for a period of five years from the date the audit report is issued and shall allow the Department or its designee, the CFO, or State of Florida Auditor General access to such records upon request. The Recipient shall ensure that the audit working papers are made available to the Department or its designee, the CFO, or State of Florida Auditor General upon request for a period of five years from the date the audit report is issued, unless extended in writing by the Department.

9. Termination or Suspension of Project:
The Department may, by written notice to the Recipient, suspend any or all of the Department's obligations under this Agreement for the Recipient's failure to comply with applicable law or the terms of this Agreement until such time as the event or condition resulting in such suspension has ceased or been corrected.

a. If the Department intends to terminate the Agreement, the Department shall notify the Recipient of such termination in writing at least thirty (30) days prior to the termination of the Agreement, with instructions to the effective date of termination or specify the stage of work at which the Agreement is to be terminated.

b. The Parties to this Agreement may terminate this Agreement when its continuation would not produce beneficial results commensurate with the further expenditure of funds. In this event, the Parties shall agree upon the termination conditions.

c. If the Agreement is terminated before performance is completed, the Recipient shall be paid only for that work satisfactorily performed for which costs can be substantiated. Such payment, however, may not exceed the equivalent percentage of the Department's maximum financial assistance. If any portion of the Project is located on the Department's right-of-way, then all work in progress on the Department right-of-way will become the property of the Department and will be turned over promptly by the Recipient.

d. In the event the Recipient fails to perform or honor the requirements and provisions of this Agreement, the Recipient shall promptly refund in full to the Department within thirty (30) days of the termination of the Agreement any funds that were determined by the Department to have been expended in violation of the Agreement.

e. The Department reserves the right to unilaterally cancel this Agreement for failure by the Recipient to comply with the Public Records provisions of Chapter 119, Florida Statutes.

10. Contracts of the Recipient:

a. Except as otherwise authorized in writing by the Department, the Recipient shall not execute any contract or obligate itself in any manner requiring the disbursement of Department funds, including consultant or construction contracts or amendments thereto, with any third party with respect to the Project without the written approval of the Department. Failure to obtain such approval shall be sufficient cause for nonpayment by the Department. The Department specifically reserves the right to review the qualifications of any consultant or contractor and to approve or disapprove the employment of such consultant or contractor.

b. It is understood and agreed by the parties to this Agreement that participation by the Department in a project with the Recipient, where said project involves a consultant contract for engineering, architecture or surveying services, is contingent on the Recipient's complying in full with provisions of Section 287.055, Florida Statutes, Consultants' Competitive Negotiation Act, the federal Brooks Act, 23 C.F.R. 172, and 23 U.S.C. 112. At the discretion of the Department, the Recipient will involve the Department in the consultant selection process for all projects funded under this Agreement. In all cases, the Recipient shall certify to the Department that selection has been accomplished in compliance with the Consultants' Competitive Negotiation Act and the federal Brooks Act.

c. The Recipient shall comply with, and require its consultants and contractors to comply with applicable federal law pertaining to the use of Federal-aid funds. The Recipient shall comply with the provisions in the FHWA-1273 form as set forth in Exhibit "G", FHWA 1273 attached to and incorporated in this Agreement. The Recipient shall include FHWA-1273 in all contracts with contractors performing work on the Project.

d. The Recipient shall require its consultants and contractors to take emergency steps to close any public road whenever there is a risk to life, health and safety of the travelling public. The safety of the travelling public is the Department's first priority for the Recipient.

11. Disadvantaged Business Enterprise (DBE) Policy and Obligation:
It is the policy of the Department that DBE's, as defined in 49 C.F.R. Part 26, as amended, shall have the opportunity to participate in the performance of contracts financed in whole or in part with Department funds under this Agreement. The DBE requirements of applicable federal and state laws and regulations apply to this Agreement.

The Recipient and its contractors agree to ensure that DBE's have the opportunity to participate in the performance of this Agreement. In this regard, all recipients and contractors shall take all necessary and reasonable steps in accordance with applicable federal and state laws and regulations to ensure that the DBE's have the opportunity to compete for and perform contracts. The Recipient and its contractors and subcontractors shall not discriminate on the basis of race, color, national origin or sex in the award and performance of contracts, entered pursuant to this Agreement.

12. Compliance with Conditions and Laws:

The Recipient shall comply and require its contractors and subcontractors to comply with all terms and conditions of this Agreement and all federal, state, and local laws and regulations applicable to this Project. Execution of this Agreement constitutes a certification that the Recipient is in compliance with, and will require its contractors and subcontractors to comply with, all requirements imposed by applicable federal, state, and local laws and regulations, including the "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transactions," in 49 C.F.R. Part 29, and 2 C.F.R. Part 200 when applicable.

13. Performance Evaluations:

Recipients are evaluated on a project-by-project basis. The evaluations provide information about oversight needs and provide input for the recertification process. Evaluations are submitted to the Recipient's person in responsible charge or designee as part of the Project closeout process. The Department provides the evaluation to the Recipient no more than 30 days after final acceptance.

   a. Each evaluation will result in one of three ratings. A rating of Unsatisfactory Performance means the Recipient failed to develop the Project in accordance with applicable federal and state regulations, standards and procedures, required excessive District involvement/oversight, or the Project was brought in-house by the Department. A rating of Satisfactory Performance means the Recipient developed the Project in accordance with applicable federal and state regulations, standards and procedures, with minimal District involvement/oversight. A rating of Above Satisfactory Performance means the Recipient developed the Project in accordance with applicable federal and state regulations, standards and procedures, and the Department did not have to exceed the minimum oversight and monitoring requirements identified for the project.

   b. The District will determine which functions can be further delegated to Recipients that continuously earn Satisfactory and Above Satisfactory evaluations.

During the performance of this Agreement, the Recipient agrees as follows, and agrees to require its contractors and subcontractors to include in each subcontract the following provisions:

   a. The Recipient will comply with all the requirements imposed by Title VI of the Civil Rights Act of 1964, the regulations of the U.S. Department of Transportation issued thereunder, and the assurance by the Recipient pursuant thereto. The Recipient shall include the attached Exhibit "C", Title VI Assurances in all contracts with consultants and contractors performing work on the Project that ensure compliance with Title VI of the Civil Rights Act of 1964, 49 C.F.R. Part 21, and related statutes and regulations.

   b. The Recipient will comply with all the requirements as imposed by the ADA, the regulations of the Federal Government issued thereunder, and assurance by the Recipient pursuant thereto.

   c. A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid on a contract to provide any goods or services to a public entity; may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work; may not submit bids on leases of real property to a public entity; may not be awarded or perform work as a contractor, supplier, subcontractor or consultant under a contract with any public entity; and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017,
Florida Statutes, for CATEGORY TWO for a period of 36 months from the date of being placed on the convicted vendor list.

d. In accordance with Section 287.134, Florida Statutes, an entity or affiliate who has been placed on the Discriminatory Vendor List, kept by the Florida Department of Management Services, may not submit a bid on a contract to provide goods or services to a public entity; may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work; may not submit bids on leases of real property to a public entity; may not be awarded or perform work as a contractor, supplier, subcontractor or consultant under a contract with any public entity; and may not transact business with any public entity.

e. An entity or affiliate who has had its Certificate of Qualification suspended, revoked, denied or have further been determined by the Department to be a non-responsible contractor may not submit a bid or perform work for the construction or repair of a public building or public work on a contract with the Recipient.

f. Neither the Recipient nor any of its contractors or their subcontractors shall enter into any contract, subcontract or arrangement in connection with the Project or any property included or planned to be included in the Project in which any member, officer or employee of the Recipient or the locality during tenure or for 2 years thereafter has any interest, direct or indirect. If any such present or former member, officer or employee involuntarily acquires or had acquired prior to the beginning of tenure any such interest, and if such interest is immediately disclosed to the Recipient, the Recipient, with prior approval of the Department, may waive the prohibition contained in this paragraph provided that any such present member, officer or employee shall not participate in any action by the Recipient or the locality relating to such contract, subcontract or arrangement. The Recipient shall insert in all contracts entered into in connection with the Project or any property included or planned to be included in any Project, and shall require its contractors to insert in each of their subcontracts, the following provision:

"No member, officer or employee of the Recipient or of the locality during his tenure or for 2 years thereafter shall have any interest, direct or indirect, in this contract or the proceeds thereof."

The provisions of this paragraph shall not be applicable to any agreement between the Recipient and its fiscal depositories or to any agreement for utility services the rates for which are fixed or controlled by a governmental agency.

g. No member or delegate to the Congress of the United States shall be admitted to any share or part of this Agreement or any benefit arising therefrom.

15. Indemnification and Insurance:

a. It is specifically agreed between the parties executing this Agreement that it is not intended by any of the provisions of any part of this Agreement to create in the public or any member thereof, a third-party beneficiary under this Agreement, or to authorize anyone not a party to this Agreement to maintain a suit for personal injuries or property damage pursuant to the terms or provisions of this Agreement. The Recipient guarantees the payment of all just claims for materials, supplies, tools, or labor and other just claims against the Recipient or any subcontractor, in connection with this Agreement.

b. To the extent provided by law, Recipient shall indemnify, defend, and hold harmless the Department against any actions, claims, or damages arising out of, relating to, or resulting from negligent or wrongful act(s) of Recipient, or any of its officers, agents, or employees, acting within the scope of their office or employment, in connection with the rights granted to or exercised by Recipient hereunder, to the extent and within the limitations of Section 768.28, Florida Statutes. The foregoing indemnification shall not constitute a waiver of sovereign immunity beyond the limits set forth in Florida Statutes, Section 768.28, nor shall the same be construed to constitute agreement by Recipient to indemnify the Department for the negligent acts or omissions of the Department, its officers, agents, or employees, or for the acts of third parties. Nothing herein shall be construed as consent by Recipient to be sued by third parties in any manner arising out of this Agreement. This indemnification shall survive the termination of this Agreement.
c. Recipient agrees to include the following indemnification in all contracts with contractors, subcontractors, consultants, or subconsultants (each referred to as "Entity" for the purposes of the below indemnification) who perform work in connection with this Agreement:

"To the extent provided by law, [ENTITY] shall indemnify, defend, and hold harmless the [RECIPIENT] and the State of Florida, Department of Transportation, including the Department's officers, agents, and employees, against any actions, claims, or damages arising out of, relating to, or resulting from negligent or wrongful act(s) of [ENTITY], or any of its officers, agents, or employees, acting within the scope of their office or employment, in connection with the rights granted to or exercised by [ENTITY] hereunder, to the extent and within the limitations of Section 768.28, Florida Statutes.

The foregoing indemnification shall not constitute a waiver of sovereign immunity beyond the limits set forth in Florida Statutes, Section 768.28. Nor shall the same be construed to constitute agreement by [ENTITY] to indemnify [RECIPIENT] for the negligent acts or omissions of [RECIPIENT], its officers, agents, or employees, or third parties. Nor shall the same be construed to constitute agreement by [ENTITY] to indemnify the Department for the negligent acts or omissions of the Department, its officers, agents, or employees, or third parties. This indemnification shall survive the termination of this Agreement."

d. The Recipient shall, or cause its contractor or consultant to carry and keep in force, during the term of this Agreement, a general liability insurance policy or policies with a company or companies authorized to do business in Florida, affording public liability insurance with combined bodily injury limits of at least $200,000 per person and $300,000 each occurrence, and property damage insurance of at least $200,000 each occurrence, for the services to be rendered in accordance with this Agreement. The Recipient shall also, or cause its contractor or consultant to carry and keep in force Workers' Compensation Insurance as required by the State of Florida under the Workers' Compensation Law. With respect to any general liability insurance policy required pursuant to this Agreement, all such policies shall be issued by companies licensed to do business in the State of Florida. The Recipient shall provide to the Department certificates showing the required coverage to be in effect with endorsements showing the Department to be an additional insured prior to commencing any work under this Agreement. Policies that include Self Insured Retention will not be accepted. The certificates and policies shall provide that in the event of any material change in or cancellation of the policies reflecting the required coverage, thirty days advance notice shall be given to the Department or as provided in accordance with Florida law.

16. Maintenance Obligations: In the event the Project includes construction then the following provisions are incorporated into this Agreement:

a. The Recipient agrees to maintain any portion of the Project not located on the State Highway System constructed under this Agreement for its useful life. If the Recipient constructs any improvement on Department right-of-way, the Recipient

- ☒ shall
- ☐ shall not

maintain the improvements located on the Department right-of-way for their useful life. If the Recipient is required to maintain Project improvements located on the Department right-of-way beyond final acceptance, then Recipient shall, prior to any disbursement of the state funding provided under this Agreement, also execute a Maintenance Memorandum of Agreement in a form that is acceptable to the Department. The Recipient has agreed to the foregoing by resolution, and such resolution is attached and incorporated into this Agreement as Exhibit "D". This provision will survive termination of this Agreement.

17. Miscellaneous Provisions:

a. The Recipient will be solely responsible for compliance with all applicable environmental regulations, for any liability arising from non-compliance with these regulations, and will reimburse the Department for any loss incurred in connection therewith. The Recipient will be responsible for securing any applicable permits. The Recipient shall include in all contracts and subcontracts for amounts in excess of $150,000, a provision requiring compliance with all applicable standards, orders or regulations issued pursuant to the Clean Air
Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387).

b. The Department shall not be obligated or liable hereunder to any individual or entity not a party to this Agreement.

c. In no event shall the making by the Department of any payment to the Recipient constitute or be construed as a waiver by the Department of any breach of covenant or any default which may then exist on the part of the Recipient and the making of such payment by the Department, while any such breach or default shall exist, shall in no way impair or prejudice any right or remedy available to the Department with respect to such breach or default.

d. If any provision of this Agreement is held invalid, the remainder of this Agreement shall not be affected. In such an instance, the remainder would then continue to conform to the terms and requirements of applicable law.

e. By execution of the Agreement, the Recipient represents that it has not paid and, also agrees not to pay, any bonus or commission for the purpose of obtaining an approval of its application for the financing hereunder.

f. Nothing in the Agreement shall require the Recipient to observe or enforce compliance with any provision or perform any act or do any other thing in contravention of any applicable state law. If any of the provisions of the Agreement violate any applicable state law, the Recipient will at once notify the Department in writing in order that appropriate changes and modifications may be made by the Department and the Recipient to the end that the Recipient may proceed as soon as possible with the Project.

g. In the event that this Agreement involves constructing and equipping of facilities, the Recipient shall submit to the Department for approval all appropriate plans and specifications covering the Project. The Department will review all plans and specifications and will issue to the Recipient a written approval with any approved portions of the Project and comments or recommendations covering any remainder of the Project deemed appropriate. After resolution of these comments and recommendations to the Department's satisfaction, the Department will issue to the Recipient a written approval with said remainder of the Project. Failure to obtain this written approval shall be sufficient cause of nonpayment by the Department.

h. Upon completion of right-of-way activities on the Project, the Recipient must certify compliance with all applicable federal and state requirements. Certification is required prior to authorization for advertisement for or solicitation of bids for construction of the Project, including if no right-of-way is required.

i. The Recipient will certify in writing, prior to Project closeout that the Project was completed in accordance with applicable plans and specifications, is in place on the Recipient's facility, adequate title is in the Recipient's name, and the Project is accepted by the Recipient as suitable for the intended purpose.

j. The Recipient agrees that no federally-appropriated funds have been paid, or will be paid by or on behalf of the Recipient, to any person for influencing or attempting to influence any officer or employee of any federal agency, a Member of Congress, an officer or employee of Congress or an employee of a Member of Congress in connection with the awarding of any federal contract, the making of any federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment or modification of any federal contract, grant, loan or cooperative agreement. If any funds other than federally-appropriated funds have been paid by the Recipient to any person for influencing or attempting to influence an officer or employee of any federal agency, a Member of Congress, an officer or employee of Congress or an employee of a Member of Congress in connection with this Agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions. The Recipient shall require that the language of this paragraph be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly. No funds received pursuant to this contract may be expended for lobbying the Legislature, the judicial branch or a state agency.
k. The Recipient may not permit the Engineer of Record to perform Construction, Engineering and Inspection services on the Project.

l. The Recipient shall comply with all applicable federal guidelines, procedures, and regulations. If at any time a review conducted by Department and or FHWA reveals that the applicable federal guidelines, procedures, and regulations were not followed by the Recipient and FHWA requires reimbursement of the funds, the Recipient will be responsible for repayment to the Department of all funds awarded under the terms of this Agreement.

m. The Recipient shall:
   i. utilize the U.S. Department of Homeland Security’s E-Verify system to verify the employment eligibility of all new employees hired by Recipient during the term of the contract; and
   ii. expressly require any contractor and subcontractors performing work or providing services pursuant to the state contract to likewise utilize the U.S. Department of Homeland Security’s E-Verify system to verify the employment eligibility of all new employees hired by the subcontractor during the contract term.

n. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which shall constitute the same Agreement. A facsimile or electronic transmission of this Agreement with a signature on behalf of a party will be legal and binding on such party.

o. The Parties agree to comply with s.20.055(5), Florida Statutes, and to incorporate in all subcontracts the obligation to comply with s.20.055(5), Florida Statutes.

p. If the Project is procured pursuant to Chapter 255 for construction services and at the time of the competitive solicitation for the Project 50 percent or more of the cost of the Project is to be paid from state-appropriated funds, then the Recipient must comply with the requirements of Section 255.0991, Florida Statutes.

18. Exhibits:

a. Exhibits “A”, “B”, “C”, “D”, “E” and “F” are attached to and incorporated into this Agreement.

b. ☑ If this Project includes Phase 58 (construction) activities, then Exhibit “G”, FHWA FORM 1273, is attached and incorporated into this Agreement.

c. ☐ Alternative Advance Payment Financial Provisions are used on this Project. If an Alternative Pay Method is used on this Project, then Exhibit “H”, Alternative Advance Payment Financial Provisions, is attached and incorporated into this Agreement.

d. ☐ State funds are used on this Project. If state funds are used on this Project, then Exhibit “I”, State Funds Addendum, is attached and incorporated into this Agreement. Exhibit “J”, State Financial Assistance (Florida Single Audit Act), is attached and incorporated into this Agreement.

e. ☑ This Project utilizes Advance Project Reimbursement. If this Project utilizes Advance Project Reimbursement, then Exhibit “K”, Advance Project Reimbursement is attached and incorporated into this Agreement.

f. ☐ This Project includes funding for landscaping. If this Project includes funding for landscaping, then Exhibit “L”, Landscape Maintenance, is attached and incorporated into this Agreement.

g. ☐ This Project includes funding for a roadway lighting system. If the Project includes funding for roadway lighting system, Exhibit “M”, Roadway Lighting Maintenance is attached and incorporated into this Agreement.

h. ☐ This Project includes funding for traffic signals and/or traffic signal systems. If this Project includes funding for traffic signals and/or traffic signals systems, Exhibit “N”, Traffic Signal Maintenance is attached and incorporated into this Agreement.
i. □ A portion or all of the Project will utilize Department right-of-way and, therefore, Exhibit “O”, Terms and Conditions of Construction in Department Right-of-Way, is attached and incorporated into this Agreement.

j. □ The following Exhibit(s) are attached and incorporated into this Agreement: _____

k. **Exhibit and Attachment List**

PROJECT DESCRIPTION AND RESPONSIBILITIES

FPN: 443600 1 A8/58/68 01

This exhibit forms an integral part of the Local Agency Program Agreement between the State of Florida, Department of Transportation and

City of St. Petersburg (the Recipient)

PROJECT LOCATION:

☐ The project is on the National Highway System.
☐ The project is on the State Highway System.

PROJECT LENGTH AND MILE POST LIMITS: Total length: 0.153 MI

PROJECT DESCRIPTION: This project consists of the construction of the 40th Avenue NE over Placido Bayou LAP project. The project provides for the construction of a new 40th Avenue NE Bridge (Bridge No. 157141) and subsequent demolition and removal of the existing bridge (Bridge No. 157154). This bridge will be constructed in two major phases allowing for two lanes of traffic to be maintained. The new bridge will accommodate two lanes of traffic, bicycle lanes, raised sidewalks, and a raised median.

SPECIAL CONSIDERATIONS BY RECIPIENT:

For projects off the State Highway System, the Agency will submit design plans for review and approval at 60%, 100% and final. For projects on the State Highway System, the Agency will submit design plans for all project phases. The Agency will not begin the construction phase until the Department has reviewed, approved plans and issued a Notice to Proceed. Construction related activities, including project advertisement, conducted prior to Notice to Proceed will not be reimbursed and may render the entire project ineligible for federal funding.

The Agency will submit to the Department the project Bid Package to include Specifications, updated construction estimate, draft construction contract, completed LAP Construction Checklist for Construction Contracts (Form No: 525-010-44) and the Agency’s Certification Clear Package as specified in the Department approved project schedule but not later than the Final plans submittal. All above items must be reviewed, approved and a Notice to Proceed must be issued by the Department prior to any construction related activities, including project advertisement. Construction related activities conducted prior to Notice to Proceed will not be reimbursed and may render the entire project ineligible for federal funding. The Certification Clear Package must include the following items completed and signed by the authorized Agency representative:

1. Type 2 CE
2. Construction Advertisement Reevaluation
3. Contamination Clearance Form
4. Right of Way Certification Form
5. Rail Clear Letter
6. Permits Clear Letter and SWFWMD approval letter if applicable
7. Utilities Clear/Coordinated Letter

The Agency will be responsible for documenting and providing to the Department Type 2 CE and a Construction Advertisement Reevaluation per FDOT’s PD&E Manual. This documentation must be approved by the FDOT Office of Environmental Management (OEM) prior to any construction related activity, including advertisement.
EXHIBIT “A”

PROJECT DESCRIPTION AND RESPONSIBILITIES

All structural components inclusive of a vehicular bridge, a pedestrian bridge over a roadway, or a box culvert that meets the definition of a bridge per 23 CFR 650.305 will use Divisions II and III of the FDOT Standard Specifications for Road and Bridge Construction and implemented modifications in accordance with the LAP Manual. Additionally, The Agency will incorporate FDOT’s Division 1 Specifications for Class A, B and C projects.

The Agency will be responsible for all project level inspection and verification testing. For structural components inclusive of a vehicular bridge, a pedestrian bridge over a roadway, or a box culvert that meets the definition of a bridge per 23 CFR 650.305, the Agency will be in compliance with the FDOT Samples Testing and Reporting Guide and FDOT Materials Manual (Topic No. 675-000-00). The Agency will ensure that all data is entered into the FDOT Materials Acceptance and Certification system (MAC). The Department will be responsible for issuing the Project Material Certification for the structural portion of the project.

The Agency shall submit the FDOT Vendor Eligibility Check Prior to Contract Award form (Form No. 375-030-91) for consultants/contractors and their subs to comply with the terms of the LAP agreement.

The Agency will submit to the Department the bid and award intent for review and concurrence prior to award of the contract. The Agency will upload a copy of the Construction Contract into the Local Agency Program Information Tool (LAPIT) upon execution of the document.

Local Agency Program Information Tool (LAPIT): LAPIT is a repository for all LAP project documents. Upon receipt of the Notice to Proceed on a project phase, the Local Agency will be responsible for uploading the appropriate project documents into LAPIT before an invoice can be paid. The efficient management of Local Agency contracts is important to LAPIT’s main goal of improving communication between the Local Agency and FDOT.

The Agency will provide progress billing invoices with appropriate back-up documentation to the Department on a quarterly basis or sooner. Invoice payments will be made on a pro-rata basis as a percentage of the federal funding amount compared to the actual award amount.

For projects that have participating and non-participating items, the local agency must submit a spreadsheet that separates the federal participating from the non-participating construction items. Non-participating costs are the responsibility of the Agency.

The Agency will ensure compliance of the Contractor’s proposed staging/storage area with the Endangered Species Act, Section 4(f) and Section 106 of the Code of Federal Regulations. Required Sections 7-1.4 and 7-1.8 of FDOT’s Division I Standard Specification are included in FDOT’s Division 1 specification package for Local Agencies.

The Agency shall be responsible for identification and remediation of any hazardous materials and contamination encountered while implementing the project.

The Agency will notify the Department of any Change Orders whether or not the Department is participating in them. Change orders will not be implemented until the Department has granted approval.

The Agency will process a Project Closeout Package at project completion in accordance with the Local Agency Program Manual for Federal Aid Projects (Department Procedure: 525-010-300). The package must include the project final invoice, the Agency's written notice of final acceptance to the contractor, the approved Final Inspection and Acceptance form, the LAP Record of Final Plans and Documentation form (52501047), and Materials Certification. Final as-built plans should be provided if applicable per the LAP Manual. Additionally, a Project Commitments Record (DOT form 700-011-35) must be provided showing all project commitments have been met. The local agency will coordinate with District Office of Environmental Management to generate the form. This process must be completed and accepted by the Department prior to payment of the project Final Invoice.

The Agency is required to use FDOT Prequalified Consultants and Contractors on this project per LAP Manual Chapter 19.
EXHIBIT “A”

PROJECT DESCRIPTION AND RESPONSIBILITIES

For projects that have participating and non-participating items, the local agency must submit a spreadsheet that depicts the federal participating and non-participating construction items with costs to account for the separate federal and local funds expenditures on all invoices submitted for the project.

Local Agency Program Information Tool (LAPIT): LAPIT is a repository for all LAP project documents. Upon receipt of the Notice to Proceed on a project phase, the Local Agency will be responsible for uploading the appropriate project documents into LAPIT before an invoice can be paid.

To the extent permitted by applicable law without causing this obligation to be subject to approval by referendum pursuant to the Florida Constitution, the LOCAL GOVERNMENT shall appropriate in its annual budget, for each Fiscal Year, non-ad valorem funds lawfully available to satisfy its maintenance responsibilities and other responsibilities under this Agreement. This provision does not create any lien upon, or pledge of, such non-ad valorem funds, nor does it preclude the LOCAL GOVERNMENT from pledging such funds in the future, or from levying and collecting any particular non-ad valorem funds.

The Recipient shall commence the project’s activities subsequent to the execution of this Agreement and shall perform in accordance with the following schedule:

- c) Construction to be completed by 3/31/2022.
- d) Final invoice/Closing documents to be provided to the Department by 7/29/2022.

If this schedule cannot be met, the Recipient will notify the Department in writing with a revised schedule or the project is subject to the withdrawal of funding.

SPECIAL CONSIDERATIONS BY DEPARTMENT: The Department will issue Notice to Proceed to the Agency after final design plans and the project Bid Package to include Specifications, updated construction estimate, draft construction contract, completed Construction checklist and the Agency’s Certification Clear Package have been reviewed and approved.

Upon receipt of an invoice, the DEPARTMENT will have twenty (20) working days to review and approve the goods and services submitted for payment.

TITLE VI ASSURANCES

During the performance of this contract, the consultant or contractor, for itself, its assignees and successors in interest (hereinafter collectively referred to as the “contractor”) agrees as follows:

1. Compliance with REGULATIONS: The contractor shall comply with the Regulations relative to nondiscrimination in federally-assisted programs of the U.S. Department of Transportation (hereinafter, “USDOT”) Title 49, Code of Federal Regulations, Part 21, as they may be amended from time to time, (hereinafter referred to as the REGULATIONS), which are herein incorporated by reference and made a part of this contract.

2. Nondiscrimination: The Contractor, with regard to the work performed by it during the contract, shall not discriminate on the basis of race, color, national origin, or sex in the selection and retention of sub­contractors, including procurements of materials and leases of equipment. The contractor shall not participate either directly or indirectly in the discrimination prohibited by Section 21.5 of the REGULATIONS, including employment practices when the contract covers a program set forth in Appendix B of the REGULATIONS.

3. Solicitations for Sub-contractors, including Procurements of Materials and Equipment: In all solicitations either by competitive bidding or negotiation made by the contractor for work to be performed under sub-contract, including procurements of materials or leases of equipment, each potential sub-contractor or supplier shall be notified by the contractor of the contractor's obligations under this contract and the REGULATIONS relative to nondiscrimination on the basis of race, color, national origin, or sex.

4. Information and Reports: The contractor shall provide all information and reports required by the REGULATIONS or directives issued pursuant thereto, and shall permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the Florida Department of Transportation or the Federal Highway Administration, Federal Transit Administration, Federal Aviation Administration, and Federal Motor Carrier Safety Administration to be pertinent to ascertain compliance with such REGULATIONS, orders and instructions. Where any information required of a contractor is in the exclusive possession of another who fails or refuses to furnish this information the contractor shall so certify to the Florida Department of Transportation, or the Federal Highway Administration, Federal Transit Administration, Federal Aviation Administration, or Federal Motor Carrier Safety Administration as appropriate, and shall set forth what efforts it has made to obtain the information.

5. Sanctions for Noncompliance: In the event of the contractor’s noncompliance with the nondiscrimination provisions of this contract, the Florida Department of Transportation shall impose such contract sanctions as it or the Federal Highway Administration, Federal Transit Administration, Federal Aviation Administration, or
Federal Motor Carrier Safety Administration may determine to be appropriate, including, but not limited to:

a. withholding of payments to the contractor under the contract until the contractor complies, and/or
b. cancellation, termination or suspension of the contract, in whole or in part.

(6.) Incorporation of Provisions: The contractor shall include the provisions of paragraphs (1) through (7) in every sub-contract, including procurements of materials and leases of equipment, unless exempt by the REGULATIONS, or directives issued pursuant thereto. The contractor shall take such action with respect to any sub-contract or procurement as the Florida Department of Transportation or the Federal Highway Administration, Federal Transit Administration, Federal Aviation Administration, or Federal Motor Carrier Safety Administration may direct as a means of enforcing such provisions including sanctions for noncompliance, provided, however, that, in the event a contractor becomes involved in, or is threatened with, litigation with a sub-contractor or supplier as a result of such direction, the contractor may request the Florida Department of Transportation to enter into such litigation to protect the interests of the Florida Department of Transportation, and, in addition, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

(7.) Compliance with Nondiscrimination Statutes and Authorities: Title VI of the Civil Rights Act of 1964 (42 U.S.C. § 2000d et seq., 78 stat. 252), (prohibits discrimination on the basis of race, color, national origin); and 49 CFR Part 21; The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, (42 U.S.C. § 4601), (prohibits unfair treatment of persons displaced or whose property has been acquired because of Federal or Federal-aid programs and projects); Federal-Aid Highway Act of 1973, (23 U.S.C. § 324 et seq.), (prohibits discrimination on the basis of sex); Section 504 of the Rehabilitation Act of 1973, (29 U.S.C. § 794 et seq.), as amended, (prohibits discrimination on the basis of disability); and 49 CFR Part 27; The Age Discrimination Act of 1975, as amended, (42 U.S.C. § 6101 et seq.), (prohibits discrimination on the basis of age); Airport and Airway Improvement Act of 1982, (49 USCS § 471, Section 47123), as amended, (prohibits discrimination based on race, creed, color, national origin, or sex); The Civil Rights Restoration Act of 1987, (PL 100-209), (Broadened the scope, coverage and applicability of Title VI of the Civil Rights Act of 1964, The Age Discrimination Act of 1975 and Section 504 of the Rehabilitation Act of 1973, by expanding the definition of the terms "programs or activities" to include all of the programs or activities of the Federal-aid recipients, sub-recipients and contractors, whether such programs or activities are Federally funded or not); Titles II and III of the Americans with Disabilities Act, which prohibit discrimination on the basis of disability in the operation of public entities, public and private transportation systems, places of public accommodation, and certain testing entities (42 U.S.C. §§ 12131 – 12189) as implemented by Department of Transportation regulations at 49 C.F.R. parts 37 and 38; The Federal Aviation Administration’s Non-discrimination statute (49 U.S.C. § 47123) (prohibits discrimination on the basis of race, color, national origin, and sex); Executive Order 12898, Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations, which ensures non-discrimination against minority populations by discouraging programs, policies, and activities with disproportionately high and adverse human health or environmental effects on minority and low-income populations; Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination includes discrimination because of limited English proficiency (LEP). To ensure compliance with Title VI, you must take reasonable steps to ensure that LEP persons have meaningful access to your programs (70 Fed. Reg. at 74087 to 74100); Title IX of the Education Amendments of 1972, as amended, which prohibits you from discriminating because of sex in education programs or activities (20 U.S.C. 1681 et seq).

Invoices for cost reimbursement contracts must be supported by an itemized listing of expenditures by category (salary, travel, expenses, etc.). Supporting documentation shall be submitted for each amount for which reimbursement is being claimed indicating that the item has been paid. Documentation for each amount for which reimbursement is being claimed must indicate that the item has been paid. Check numbers may be provided in lieu of copies of actual checks. Each piece of documentation should clearly reflect the dates of service. Only expenditures for categories in the approved agreement budget may be reimbursed. These expenditures must be allowable (pursuant to law) and directly related to the services being provided.

Listed below are types and examples of supporting documentation for cost reimbursement agreements:

1. Salaries: A payroll register or similar documentation should be submitted. The payroll register should show gross salary charges, fringe benefits, other deductions and net pay. If an individual for whom reimbursement is being claimed is paid by the hour, a document reflecting the hours worked times the rate of pay will be acceptable.

2. Fringe Benefits: Fringe Benefits should be supported by invoices showing the amount paid on behalf of the employee (e.g., insurance premiums paid). If the contract specifically states that fringe benefits will be based on a specified percentage rather than the actual cost of fringe benefits, then the calculation for the fringe benefits amount must be shown.

   Exception: Governmental entities are not required to provide check numbers or copies of checks for fringe benefits.

3. Travel: Reimbursement for travel must be in accordance with Section 112.061, Florida Statutes, which includes submission of the claim on the approved State travel voucher or electronic means.

4. Other direct costs: Reimbursement will be made based on paid invoices/receipts. If nonexpendable property is purchased using State funds, the contract should include a provision for the transfer of the property to the State when services are terminated. Documentation must be provided to show compliance with Department of Management Services Rule 60A-1.017, Florida Administrative Code, regarding the requirements for contracts which include services and that provide for the contractor to purchase tangible personal property as defined in Section 273.02, Florida Statutes, for subsequent transfer to the State.

5. In-house charges: Charges which may be of an internal nature (e.g., postage, copies, etc.) may be reimbursed on a usage log which shows the units times the rate being charged. The rates must be reasonable.

6. Indirect costs: If the contract specifies that indirect costs will be paid based on a specified rate, then the calculation should be shown.

Contracts between state agencies, and or contracts between universities may submit alternative documentation to substantiate the reimbursement request that may be in the form of FLAIR reports or other detailed reports.

ADVANCE PROJECT REIMBURSEMENT

Paragraph 3, the second and third sentences are deleted in their entirety and replaced with the following provisions:

Unless terminated at an earlier date as provided in this Agreement, this Agreement shall remain in full force and effect and all parties shall be fully bound by its terms and conditions until all work authorized by the Agreement is complete and accepted by the Department, all final costs are known, all reports and deliverables required by the Agreement have been received and accepted by the Department, all legislatively appropriated reimbursements, if approved, are paid by the Department to the Recipient, and all litigation arising under the Agreement is complete.

Paragraph 6, the first sentence is deleted in its entirety and replaced with the following provisions:

The Department agrees to reimburse the Recipient in accordance with Section 339.12, Florida Statutes, an amount not to exceed the total cost specified in paragraph 4.B. of this Agreement, beginning in the Department's Fiscal Year 2022. If the funding is from the Federal Highway Administration (FHWA), a single lump sum payment for costs incurred will be made in the year the Project was originally scheduled in the Department’s Adopted Work Program. If the FHWA funding is programmed in the Department’s Adopted Work Program over a multi-year period, annual lump sum payments for costs incurred will be made in each of these years up to the amount programmed for that year in the Adopted Work Program. If the Project is for resurfacing, is estimated to cost over $2,000,000, and is state-funded, then the payments will not exceed the amount of costs incurred and the payments will be divided into 6 equal payments that will be made quarterly beginning in the year the Project was originally programmed. For all other state-funded projects estimated over $2,000,000, the payments will not exceed the amount of costs incurred and the payments will be divided into 10 equal payments that will be made quarterly beginning in the year the Project was originally programmed. If the Project is state-funded and is estimated to cost $2,000,000 or less, then a single lump sum payment for costs incurred will be made in the year the Project was originally scheduled in the Department’s Adopted Work Program. If the Project is state-funded, estimated to cost $2,000,000 or less, and is programmed in the Department’s Adopted Work Program over a multi-year period, then annual lump sum payments for costs incurred will be made in each of these years up to the amount programmed in the Adopted Work Program. Advanced Construction (AC) funded projects will be reimbursed in the same manner as state funded projects. Earmarks will be reimbursed on a case by case basis as determined by the Department’s Comptroller. All payments will be made in accordance with paragraph 5. of this Agreement.

If there is a required local match of the non-federal share, the reimbursement will be reduced by the required amount. The Department further agrees to request appropriation of said amounts from the Legislature prior to each fiscal year in question.
