To: The Honorable Lisa Wheeler-Bowman, Chair, and Members of City Council

Subject: Approving an increase in allocation for storm debris removal and disposal services with Crowder-Gulf Joint Venture, Inc. in the amount of $458,504, for a total contract amount of $2,183,504 and approving a supplemental appropriation in the amount of $93,200 from the unappropriated balance of the General Fund (0001) to the Parks & Recreation Department (190-1573) to provide additional funding for storm debris removal and disposal services.

Explanation: On August 7, 2014, City Council approved a three-year agreement for storm debris removal and disposal services. On September 25, 2017, the City received an estimate from Crowder-Gulf Joint Venture, Inc. in the amount of $1,725,000 for storm debris services after Hurricane Irma. On October 19, 2017, City Council approved a supplemental appropriation for the estimated amount, from the unappropriated balance of the General Fund (0001) to the Parks & Recreation Department (190-1573).

The final cost of the work exceeded the original estimate by $458,504 due to the amount of debris removal was much higher than expected. Therefore an increase in allocation is requested.

The contractor provided disaster recovery technical support including documentation in recovering funds from the State of Florida and FEMA’s Public Assistance Program. The work included all labor and equipment to mobilize, remove, clean up and dispose of disaster debris caused by Hurricane Irma. Additionally, the contractor set up and maintained temporary debris management sites (DMS). The debris was segregated into six categories: clean vegetative debris; vegetative debris containing other foreign matter; construction and demolition (C&D) debris, salvageable and recyclable debris; white goods; and hazardous or toxic waste. The contractor also hauled all remaining debris to a final disposal site and restored the DMS areas. The Procurement Department, in cooperation with the Parks & Recreation Department, recommends approval:

Crowder-Gulf Joint Venture, Inc.......................... $458,504

Hurricane Irma
Task Order No. 1 $1,725,000
Allocation increase $458,504
Total agreement amount $2,183,504

Cost/Funding/Assessment Information: A portion of the funding has been previously appropriated in the General Fund (0001), Parks & Recreation Department (190-1573), a supplemental appropriation in the amount of $93,200 is required from the unappropriated balance of the General Fund (0001) to the Parks & Recreation Department (190-1573). A portion of the costs may be eligible for reimbursement by FEMA if approved.
