TO: The Honorable Ed Montanari, Chair, and members of the Budget, Finance, and Taxation Committee

FROM: Anne A. Fritz, Chief Financial Officer and Erika Langhans, Controller

SUBJECT: Approving a transfer in the amount of $20,200,000 from the Public Safety Capital Improvement fund (3025) to the TD Bank Non-ad Valorem Note Series 2017C (2018) fund and appropriating $20,200,000 to provide funds for partial early pre-payment.

As part of the agreement with TD Bank for the Series 2017C note was the City's option to allow an early full or partial pre-payment. Further, pursuant to the interlocal agreement between the City and Pinellas County dated February 10, 2015, the City received the $20,200,000 in Local Option Sales Surtax Improvement funds, “Penny for Pinellas Funding” from Pinellas County for the new police department headquarters (including the emergency operations center facility) in December 2019.

With the available funds, the Administration is requesting City Council approve a transfer of $20,200,000 from the Public Safety Capital Improvement Fund (3025) to the TD Bank Non-Ad Valorem Debt Service Fund, and to appropriate such to provide funds for the early prepayment of $20,200,000 in principal. The early pre-payment will save the City over $340,000 net in interest payments, which is estimated to exceed any net short-term investment income.

Recommendation: The City staff recommends approval of the resolution authorizing the transfer and appropriation.

Cost/Funding Information: Funding in the amount of $20,200,000 will be available after a transfer in the amount of $20,200,000 from the unappropriated balance of the Public Safety Capital Improvement Fund (3025) to the TD Bank NA Fund (2018) and a supplemental appropriation in the amount of $20,200,000 from the increase in the unappropriated balance of the TD Bank NA Fund (2018), Finance Department, General Purpose Revenues and Transfers division (320-3201).
