Mr. Aaron Fisch,

Positive Impact Worldwide would like to acquire the property adjacent to 2750 34th Street South, lot 32801, 3201 28th Ave. S. St Petersburg, 33711 for \$129,000.00, which is the most recent appraised value.

We feel this property is exactly what we need to expand our current operations of providing food and other life-transforming programs to children and families within our city.

Last year alone we provided 475,000 meals to local families. The need for food has increased exponentially, due to COVID and the current state of our economy. Our goal is to expand our operations to include programs to educate and assist individuals in regaining the confidence and ability to become independent.

Over the past 17 years we have been faithful in serving our community. Acquiring this property will enable us to expand our offerings to meet the ever-expanding needs of our community.

We look forward to the opportunity to discuss this further.

Sincerely,

Kara'Lynne Brubaker
