

ST. PETERSBURG CITY COUNCIL

Meeting of April 16, 2009

TO: The Honorable Jeff Danner, Chair and Members of City Council

SUBJECT: An Ordinance authorizing the grant of a Public Utility Easement to Florida Power Corporation d/b/a Progress Energy Florida Inc., a Florida corporation, to provide electrical service at the at the Port of St. Petersburg at 300 – 8th Avenue Southeast, St. Petersburg.

BACKGROUND: Real Estate & Property Management received a request from the Engineering and Capital Improvements Department asking that we prepare the necessary documents to grant Florida Power Corporation d/b/a Progress Energy Florida, Inc., a Florida corporation (“Progress Energy”), a Public Utility Easement (“Easement”) (also referred to by Progress Energy as a “Distribution Easement - Corporate”), at the Port of St. Petersburg at 300 – 8th Avenue Southeast, St. Petersburg.

The new Easement, as legally described in Exhibit “A”, is necessary to provide electrical service for the new ±30,000 square foot SRI International building. The building/site will contain parking and marine staging areas at ground level, and office and laboratory space on the upper floors. The new Easement will have no significant effect on the public’s use of the property.

An ordinance is required to authorize the grant of this Easement to Progress Energy as the requested Easement is to be located on land classified as “Park and Waterfront Property.” This action is in compliance with Section 1.02(c)(3) of the City Charter that provides “. . . utility easements may be granted upon specific approval by ordinance where the easement will have no significant effect on the public’s use of the property. ”

RECOMMENDATION: Administration recommends that City Council approve an ordinance granting a Public Utility Easement to Florida Power Corporation d/b/a Progress Energy Florida Inc., a Florida corporation, at the Port of St. Petersburg at 300 – 8th Avenue Southeast, St. Petersburg.
