

**MEMORANDUM  
CITY OF ST. PETERSBURG**

**To:** Honorable Jeff Danner, Chair and Members of City Council

**From:** Michael Connors, Administrator,  
Internal Services *MC*

**Date:** September 3, 2009

**Re:** **First Reading of Tentative Budget Appropriations Ordinance and Report of Changes from the Recommended Budget**

---

**Background:** This report provides material for adoption of the tentative budget for FY10 and contains material related to the Public Hearing scheduled for September 3, 2009 at 6:00 PM in City Council Chambers. At that hearing, staff will present the first reading of the FY10 Appropriations Ordinance and certain material that is statutorily required to comply with the "Truth in Millage" (TRIM) law. Final action on the FY10 budget is scheduled to take place at the conclusion of the second Public Hearing scheduled for September 17.

**Explanation:** The Mayor's Recommended Budget for FY10 was submitted to City Council on July 1. In accordance with statutory requirements, two public hearings have been scheduled (September 3 and September 17) to solicit public input on the proposed FY10 budget. In preparation for the first of those public hearings, this report conveys the following material:

- Agenda for the September 3 Public Hearing- providing statutory requirements Attachment A
- Listing and description of all substantive changes made to both projected revenues and anticipated expenditures for FY10 since submission of the Recommended Budget on July 1. Attachment B
- Resolution which **tentatively** adopts the proposed millage of 5.9125 mills Attachment C
- Proposed Budget/Appropriations Ordinance Attachment D
- Resolution which **tentatively** adopts the budget at the first Public Hearing Attachment E

*Adoption of Tentative Millage and Roll Back Rate*

The proposed aggregate millage rate adopted by City Council on July 16, 2009 is 5.9125 mills. This is a 13.09% decrease from the rolled back (forward) rate of 6.8031 mills. The rolled back rate is the rate that will generate the same amount of revenue as the prior year given the current assessed property values (with exclusions provided by State Statute including new construction, newly annexed properties, etc.). City policy provides that ad valorem will be estimated at 96% to allow for early payment discounts, uncollectibles, and value adjustment board revisions. This provides revenue of \$83.109 million which will be used to partially offset the cost of police and fire services for the community.

The proposed millage rate along with the times and dates for the public hearings have been advertised by the Pinellas County Property Appraiser via TRIM notices mailed to all property owners. At this meeting Council will adopt the tentative millage rate, which cannot exceed the proposed adopted rate (without readvertisement). Council will also be asked to approve changes in the Recommended Budget which have occurred subsequent to July 1, 2009 and to tentatively approve the FY10 Budget with these changes. State Statutes require a very specific format for the adoption process which is outlined in the Agenda shown in Attachment A.

#### *General Information*

Several important points may be helpful to Council members in reviewing the attached material. First, the proposed ordinance sets appropriation levels for the General Fund, Special Revenue Funds, Enterprise Funds, Debt Service Funds, and for transfers between funds. It appropriates all Capital Project Funds for FY10, as provided for in the Recommended Capital Improvement Program. Additionally, the ordinance sets appropriations for Dependent Special Districts and establishes authorization levels for each of the City's Internal Service Funds. Only the portion of funding provided from fund balance or other external funding sources to partially offset the cost for internal service operations (if any) is included in the appropriation. The remaining portion of the Internal Service Funds does not require formal appropriations inasmuch as they are funded through charges to those departments which use their services. Setting an authorization level allows Council to establish a funding level for each internal service operation while avoiding duplicate appropriations.

Subsequent to development of the Recommended Budget, staff has continued to monitor revenue sources and evaluate both departmental budget requests and expenditure needs as more information becomes available. As a result, changes are proposed in several funds.

A summary of all of the changes are shown on the attached "Recap of Changes in the Recommended Budget for the Proposed Ordinance," Attachment B.

**Recommendation/Action Required:** It is recommended that City Council approve the tentative FY10 Budget/Appropriations Ordinance on first reading. It is further recommended that City Council then tentatively adopt the property tax millage rate and tentatively adopt the FY10 budget following the procedure set out in F.S. 200.065. Final action on the FY10 budget will occur at the conclusion of the September 17 Public Hearing.

EXCERPTS FROM F.S. 200.065:

Paragraph 2(c): "Within 80 days of the certification of value pursuant to subsection (1), but not earlier than 65 days after certification, the governing body of each taxing authority shall hold a public hearing on the tentative budget and proposed millage rate. Prior to the conclusion of the hearing, the governing body of the taxing authority shall amend the tentative budget as it sees fit, adopt the amended tentative budget, recompute its proposed millage rate, and publicly announce the percent, if any, by which the re-computed proposed millage rate exceeds the rolled-back rate computed pursuant to subsection (1). That percent shall be characterized as the percentage increase in property taxes tentatively adopted by the governing body."

Paragraph 2(e): "1. In the hearings required pursuant to paragraphs (c) and (d), the first substantive issue discussed shall be the percentage increase in millage over the rolled-back rate necessary to fund the budget, if any, and the specific purposes for which ad valorem tax revenues are being increased. During such discussion, the governing body shall hear comments regarding the proposed increase and explain the reasons for the proposed increase over the rolled-back rate. The general public shall be allowed to speak and to ask questions prior to adoption of any measures by the governing body. The governing body shall adopt its tentative or final millage rate prior to adopting its tentative or final budget."

**RECAP OF CHANGES BETWEEN THE RECOMMENDED BUDGET AND PROPOSED BUDGET ORDINANCE**

**\*\* CHANGES IN REVENUES \*\***

<b>FUND</b>	<b>RECOMMENDED BUDGET</b>	<b>PROPOSED CHANGE</b>	<b>ORDINANCE</b>	<b>REASONS</b>
<b>General Operating Fund</b>				
Ad Valorem	83,089,232	19,529	83,108,761	The certified value from the Property Appraiser's office came in greater than when the Recommended Budget was done, and the estimate of collections for next year has been revised.
Licenses & Permits Revenue	2,949,000	31,000	2,980,000	Revised estimate to bring in line with FY09 actuals.
Pinellas Hope Grant	0	150,000	150,000	Federal grant funds will be received for Pinellas Hope in FY10.
State Shared Revenues	4,713,022	(530,574)	4,182,448	State estimates for State Shared Revenues came in lower than estimated in the proposed budget.
Fire Department	662,720	(155,180)	507,540	The fire inspection fees and site plan fee increases (\$232,180) proposed in the Recommended Budget will not be done; however, adjustments of \$77,000 were made to bring Fire Off Duty Recoveries in line with FY09 actuals which will somewhat offset the decreased revenue projection.
Police Department Services	1,341,103	120,000	1,461,103	Revenue for off-duty services and School Resource Officer overtime have been adjusted based on historical trends.
Parks	1,260,025	17,000	1,277,025	Adjustments were made to bring Boyd Hill Nature Park revenue in line with FY09 actuals.
Library	694,676	25,399	720,075	The Library Department received information indicating that the City will receive an additional \$25,399 from the PPLC (Pinellas Public Library Co-op) in FY10.
Interest Earnings	1,102,000	(87,000)	1,015,000	Investment earnings have been revised based on current trends.
Utility Tax Transfer In	38,087,267	1,088,085	39,175,352	State estimates for Communication Services Tax came in higher than estimated in the proposed budget by \$258,577 which allows for a greater transfer to the General Fund. Also, in July, a 4% rate increase was approved for Progress Energy.
Local Option Transfer In	3,254,000	216,816	3,470,816	This fund accounts for revenue received from the City's share of local option gas tax. At the end of FY08, some of the revenue was not transferred because of when it was received. This transfers that revenue (\$375,910) into the General Fund and accounts for a reduction in the state estimate of \$159,094 as compared to the proposed budget.
Franchise Tax Transfer In	20,110,591	908,016	21,018,607	A 4% rate increase was approved for Progress Energy in July. This will increase their franchise tax payments to the City.
Excise Tax Transfer In	11,895,800	(671,234)	11,224,566	State estimates for Half-Cent Sales Tax and Tourist Development tax came in lower than estimated in the proposed budget which reduces the transfer to the General Fund.
Parking Fund Transfer	265,000	(250,000)	15,000	The General Fund will not loan the Parking Fund money in FY09 for CIP projects, so there is no need for a repayment in 2010.
<b>Total General Fund</b>	<b>206,192,717</b>	<b>881,857</b>	<b>207,074,574</b>

RESOLUTION NO. \_\_\_\_\_

**A RESOLUTION ADOPTING A TENTATIVE  
MILLAGE RATE FOR THE FISCAL YEAR  
ENDING SEPTEMBER 30, 2010; AND  
PROVIDING AN EFFECTIVE DATE.**

**WHEREAS**, the amounts of money necessary to be raised from taxation to carry on the government of the City of St. Petersburg for the fiscal year ending September 30, 2010, have been tentatively determined;

**NOW, THEREFORE, BE IT RESOLVED** by the City Council of the City of St. Petersburg, Florida, that it has been determined that in order to raise and produce the funds necessary to carry on the government of the City of St. Petersburg for the fiscal year ending September 30, 2010, there is hereby levied for said year, the various taxes set out in Sections 1 and 2, inclusive of this Resolution, to wit:

**SECTION 1.** The tentative millage tax for the fiscal year ending September 30, 2010, is hereby fixed and adopted at 5.9125 mills on the dollar of the assessed value of property of every kind liable for or subject to taxation by the City of St. Petersburg, Florida.

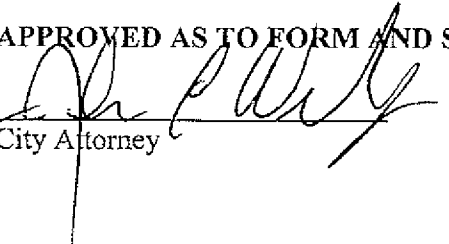

**SECTION 2.** The tentative millage referred to in the preceding Section shall be levied for the following purposes:

<u>Purpose</u>	<u>Mills</u>
General Fund Operating Levy	5.9125

**SECTION 3.** The tentative Operating Millage adopted herein is less than the rolled-back rate of 6.8031 computed pursuant to the TRIM Act (Section 200.065, Florida Statutes, 1991, as amended) by 13.09%. This percentage shall be known as the percentage decrease in property taxes adopted by the City.

This resolution shall become effective immediately upon its adoption.
