

SAINT PETERSBURG CITY COUNCIL

Consent Agenda

Meeting of October 15, 2009

To: The Honorable Jeff Danner, Chair and Members of City Council

Subject: Approving the purchase of ADA compliant play surfaces from Playpower LT Farmington, Inc. for the Parks Department and Engineering and Capital Improvements Department at an estimated cost of \$180,000.

Explanation: These purchases will be made from National Joint Powers Alliance (NJPA) Agreement No. 051409-LTI. The vendor will furnish and install ADA Poured-In-Place (EPDM rubber) surfaces and related components such as transfer stations, under deck play panels, maze panels, spring riders and above deck animal panels. The surfacing will replace existing sand surfaces and is required by the Consumer Product Safety Commission (CPSC) for ADA accessibility and compliance. It is anticipated that three community play structures will require play surface installation during the contract period. The estimated amount is due to the unique protective surface material requirements for each site.

The Purchasing Department recommends for award utilizing National Joint Powers Alliance (NJPA) Agreement No. 051409-LTI:

Playpower LT Farmington, Inc.	\$180,000
Northwest Park	\$58,004
Lake Vista Park	\$48,816
Childs Park	\$50,004

The vendor has met the specifications, terms and conditions of National Joint Powers Alliance (NJPA) Agreement No. 051409-LTI dated May 14, 2009. This purchase is made in accordance with Section 2-234 (e) of the City Code which authorizes the Mayor or his designee to purchase supplies from a competitively bid proposal or contract secured by State, County or municipal government. A blanket purchase agreement will be issued and will be binding only for actual surfaces installed. The agreement will be effective from date of award through May 14, 2010 with three one-year renewals.

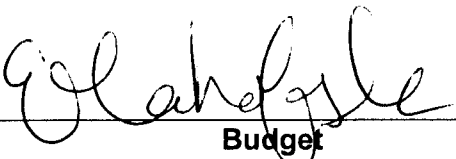

Cost/Funding/Assessment Information: Funds have been previously appropriated in the Recreation and Culture Capital Improvement Fund (3029) Play Equipment Replacement FY10 Project (12571) [\$174,850].
