

ST. PETERSBURG CITY COUNCIL

Consent Agenda

Meeting of October 15, 2009

TO: The Honorable Jeff Danner, Chair, and Members of City Council

SUBJECT: Awarding a contract to TLC Diversified, Inc. in the amount of \$706,500.00 for the construction of the Lift Station 61/Pasadena Master Rehabilitation Project located at 6800 Travelers Way South. (Engineering Project No. 06066-111; Oracle No. 10978)

EXPLANATION: The work consists of furnishing all labor, material, equipment, incidentals and services necessary for the rehabilitation of Lift Station No. 61/Pasadena Master. The work includes converting the existing wetwell and dry-pit pumping system to an in-line booster pumping system, modification of the pump's suction piping; removal and replacement of the electrical and instrumentation systems associated with the conversion; upgrades to the existing System Control and Data Acquisition (SCADA) system; repair and filling of the abandoned wet well pit with flowable fill; construction of new By-Pass Pit No. 2; installation of new magnetic flow meters; installation of piping and electrical service. Site repairs and upgrades involve constructing an asphalt overlay on the driveway; and restoration of surfaces.

The existing wetwell was last rehabilitated in 1995 and is currently in a deteriorated condition. This project will eliminate the wetwell resulting in reduced maintenance and odor control costs for this pumping station.

The contractor will begin work approximately ten (10) days from written Notice to Proceed and is scheduled to complete the work within two-hundred seventy (270) consecutive calendar days thereafter. Bids were opened on August 26, 2009 and are tabulated as follows:

	<u>Base Bid</u>
TLC Diversified, Inc. (Palmetto, FL)	\$ 706,500.00
Carl Hanking, Inc. (Tampa, FL)	875,942.30
Wharton-Smith, Inc. (Sanford, FL)	894,800.00
Cardinal Contractors. (Sarasota, FL)	2,203,805.00
Engineer's Estimate	1,235,000.00

The responsive low bidder, TLC Diversified, Inc. has satisfactorily performed similar lift Station construction projects in the past for the City of St. Petersburg, City of Clearwater, Sarasota County, and Indian River County Utilities. Principals of the firm are Thurston Lamberson, President and Joanne Lamberson, Vice President/Secretary.

Administration recommends awarding this Contract to TLC Diversified, Inc., in the amount of \$706,500.

COST/FUNDING/ASSESSMENT INFORMATION: Funds are available in the Water Resources Capital Project Fund (4003), LST #61 Pasadena Master Rehabilitation Project (10978)

A RESOLUTION AWARDED A CONTRACT TO TLC DIVERSIFIED, INC. IN THE AMOUNT OF \$706,500.00 FOR THE CONSTRUCTION OF THE LIFT STATION 61/PASADENA MASTER REHABILITATION PROJECT LOCATED AT 6800 TRAVELERS WAY SOUTH. (ENGINEERING PROJECT NO. 06066-111; ORACLE NO. 10978); AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, bids were opened on August 26, 2009; and

WHEREAS, the low responsive bidder, TLC Diversified, Inc. has satisfactorily performed similar lift Station construction projects in the past for the City of St. Petersburg, City of Clearwater, Sarasota County, and Indian River County Utilities; and

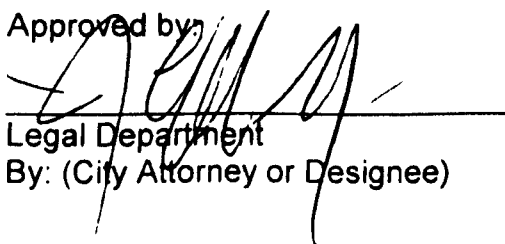

WHEREAS, the contractor will begin work approximately ten (10) days from written Notice to Proceed and is scheduled to complete the work within two hundred and seventy (270) consecutive calendar days thereafter; and

WHEREAS, the work consists of furnishing all labor, material, equipment, incidentals and services necessary for the rehabilitation of Lift Station No. 61/Pasadena Master. The work includes converting the existing wetwell and dry-pit pumping system to an in-line booster pumping system, modification of the pump's suction piping; removal and replacement of the electrical and instrumentation systems associated with the conversion; upgrades to the existing System Control and Data Acquisition (SCADA) system; repair and filling of the abandoned wet well pit with flowable fill; construction of new By-Pass Pit No. 2; installation of new magnetic flow meters; installation of piping and electrical service. Site repairs and upgrades involve constructing an asphalt overlay on the driveway; and restoration of surfaces.

NOW THEREFORE, BE IT RESOLVED By the City Council of the City of St. Petersburg, Florida, that the award of the contract to TLC Diversified, Inc. in the amount of \$706,500.00 for the construction of the Lift Station 61/Pasadena Master Rehabilitation Project located at 6800 Travelers Way South. (Engineering Project No. 06066-111; Oracle No. 10978) is hereby approved.

This resolution shall become effective immediately upon its adoption.
