In accordance with LDR Section 16.70.040.1.F, “It is the policy of the City to encourage applicants to meet with residents of the surrounding neighborhoods prior to filing an application for a permit requiring review and public hearing. The applicant, at his option, may elect to include neighborhood mediation as a preparatory step in the development process. Participation in the public participation process prior to required public hearings will be considered by the decision-making official when considering the need, or request, for a continuance of an application. It is not the intent of this section to require neighborhood meetings, but to encourage meetings prior to the submission of applications for approval and documentation of efforts which have been made to address any potential concerns prior to the formal application process.
