GENERAL INFORMATION

Pre-application Meeting
All applicants are required to schedule a pre-application meeting two weeks prior to submittal of an application. Meetings may be held via telecom. If an application is submitted without a pre-application meeting, and the application is deemed to be incomplete or incorrect, the application may be delayed. Please contact Iris Winn to schedule: 727-892-5498.

Public Participation Report
All applicants are required to contact the applicable Neighborhood Association President, Business Association, CONA and FICO, a minimum of 10-days prior to filing the application and complete the Public Participation Report prior to submittal of an application. Applications without the Public Participation Report will not be accepted. The contact information will be provided to the applicant by staff at the pre-application meeting. Reports may be updated and resubmitted up to 10-days prior to the scheduled public hearing.

Commission Review
By applying to the Commission, the applicant grants permission for Staff and members of the Commission to visit the subject property to evaluate the request. Applicants with special requests related to timing of site visits should advise Staff in writing at the time of application submittal. Any Code violations found by the City Staff or the Commission members during review of the subject case will be referred to the Codes Compliance Assistance Department.

Legal Notification
All applications made to the Commission are required by Florida Statute and City Code to provide public notification of requested variances, reinstatements of grandfathered uses, and redevelopment plans. The applicant will be required to post a sign on the subject property and send via the U.S. Postal Service by “Certificate of Mailing” notification letters to all property owners within 300-feet of the subject property. The City will provide one (1) original notification letter, a list of properties, mailing labels, sign, and procedures to complete the posting of the sign and the notification of property owners. These legal notifications must be completed by the dates noted on the Commission schedule with verification of mailing and sign posting returned to Staff within seven (7) days of the meeting date.

Public Hearing
Applications appropriate for public hearing will be heard by the Commission on the dates listed on the Commission schedule. The public hearings begin at 2:00 P.M. and will be held temporarily at the Sunshine Center (Auditorium), located at 330 5th Street North. All proceedings are quasi-judicial. Therefore, it is required that the property owner or authorized representative attend the hearing.

Commission Approvals
If approved by the Commission, permits, inspections, business taxes, and certificates of occupancy are required, when applicable. All conditions of approval must be completed and approved by the date specified in the report. Failure to satisfy these requirements will invalidate the approval of the request. Approval of a request by the Commission or POD (person officially designated) does not grant or imply other variances from the City Code, FEMA regulations, or other applicable codes. Applicants are advised to contact the Construction Services and Permitting Division at (727) 893-7231 to determine if any other regulations may affect a given proposal.
All applications for a variance must provide justification for the requested variance(s) based on the criteria set forth by the City Code. It is recommended that the following responses be typed. Illegible handwritten responses will not be accepted. Responses may be provided as a separate letter, addressing each of the six criteria.
