

Researching Potential Funding Opportunities – the Back Door Approach

1. Identify the types of programs we are interested in bringing to St. Pete, or existing programs we would like to grow and enhance, e.g. Sports, Arts, Energy Efficiency, Security, Public Safety, etc.
2. Research other cities that are operating programs we would like to emulate in St. Pete. Once you have developed a list of types of programs we are interested in pursuing, go to Federal Audit Clearinghouse site at <http://harvester.census.gov/sac/>

Click on **“Search the Single Audit Database.”**

Researching Potential Funding Opportunities – the Back Door Approach

3. Here you have a number of search options.

To begin the most basic search, click on **#3, Entity Search**.

Researching Potential Funding Opportunities – the Back Door Approach

5. Your search will pull up a results screen:

Scroll down the list of **Auditee Name** until you find the city/entity for which you are looking, then click on the name in blue.

The screenshot shows a web browser window titled "Results from Query of Single Audit Database - Windows Internet Explorer". The address bar shows the URL: <http://harvester.census.gov/sac/dissemin/asp/simplesearch.asp>. The search results page displays a table of records for "ST PETERSBURG". A red arrow points to the search criteria section, which indicates that the search was based on the Auditee Name "ST PETERSBURG".

Results from Query of Single Audit Database

Your search has produced 42 records

These results are based on the following search criteria:
 Auditee Name: ST PETERSBURG

| Auditee Name | City | State | EIN | Fiscal Year Ending Date | Initial Date Received | Form Date Received | Component Date Received | Processing Completed On Date | Processing Previously Completed On Date |
|---|----------------|-------|-----------|-------------------------|-----------------------|--------------------|-------------------------|------------------------------|---|

Researching Potential Funding Opportunities – the Back Door Approach

6. This is a copy of the Single Audit submitted by the city. By searching through the names of federal programs you can identify the **CFDA number** under which the program was funded.

From this we can explore what funding opportunities may exist for St. Petersburg through the Catalog, Grants.gov, and other search engines.
