Purpose

The Arts and Culture Grants are intended to provide operating funds to eligible organizations that contribute to the artistic vitality of the St. Petersburg community and its varied citizenry. The Arts and Culture Grants, along with supporting established organizations, will encourage the fostering of new or emerging art expressions and the preservation of diversity throughout the City of St. Petersburg.

Eligibility Requirements

Organizations applying to the City for funding shall:
A. Be registered with the Florida Secretary of State as a non-profit organization
B. Be a Tax Exempt 501(c)3 organization whose primary mission, as identified by a mission statement or articles of incorporation, is arts or culture programming, arts or culture support, or arts or culture services unless applying under F(iii) below.
C. Be in existence and providing services to the residents of the City for at least one year from the date of registration with the Secretary of State.
D. Provide more than 50% of its programming within the City of St. Petersburg and have over 50% of its attendance taking place within the City of St. Petersburg for the organization’s most recently completed fiscal OR calendar year.
E. Have no outstanding debts to the City of St Petersburg; unless prior payment arrangements are in place and are current.
F. The organization must:
   (i) present arts/cultural programming, performances, or exhibitions primarily for the benefit of St. Petersburg residents and its visitors;
   (ii) have a history, science, or children’s museum that provides on-going arts/cultural programming, performances, or exhibitions primarily for the benefit of St. Petersburg residents and its visitors; or
   (iii) be a non-profit organization that (1) has a facility specifically dedicated to the Arts and Culture Programming Unit and have at least one paid full-time permanent staff dedicated to that Arts and Culture Programming Unit and (2) presents arts/cultural programming primarily for the benefit of St. Petersburg residents and its visitors on an on-going, year-round basis for which the Arts and Culture Programming Unit has actual operations in excess of $100,000 for the most recently completed fiscal year at the time of the application.
Second year option

Organizations that were successfully funded in the prior fiscal year and whose grants scored a 90 or above are eligible for a second year option grant update without having to submit a complete application packet. This is optional and your score from the prior year will be used in the funding calculations for the current year.

You must submit to the Mayor’s Office of Cultural Affairs a letter stating that your application from the prior fiscal year is true and correct and that you wish for your score to be used for funding in FY18. You will be required to submit current year financials (the same documents that you would have to submit with the grant under Required Financial Statements) and a one page update on your organization along with a current Certificate of Insurance. This is due to the Office of Cultural Affairs under the same deadline requirements for the Technical Review. If this is incomplete you will be advised under the same guidelines as the Technical Review and have until full grant applications are due to submit a revised packet.

You will be ineligible for second year option if you do not qualify for a grant (i.e. owe the City of St. Petersburg money, your IRS determination has been revoked, etc.).

Funding Policies

Arts and Culture Grants will provide funding to assist underwriting general allowable operating expenses of art/cultural organizations during the specified fiscal year. Applications will be accepted annually.

Grant Request Limits

Operating budget thresholds are determined by actual (cash) operating revenues for the most recently completed fiscal year. Non-profit organizations that are not primarily arts/cultural organizations must base the grant request level on the actual operations expenses of the last completed fiscal year of the Arts and Culture Programming Unit within the larger parent organization.

Funding Level

Level 3. Organizations with budgets of $500,000 or more are eligible to receive up to $20,000

Level 2. Organizations with budgets of $150,000 to $499,999 are eligible to receive up to $14,000

Level 1. Organizations with budgets of 149,999 or less are eligible to receive up to $6,000 or a maximum of 10% of the most completed fiscal year’s operating budget.

The amount of each category award will be determined by the Arts Advisory Committee following the final budget allocation determined by City Council in September 2016. The Arts Advisory Committee’s award and funding recommendations are subject to City Council approval.

Arts and Culture Grant Panel Review / Scoring

Eligible grant applications are distributed to the Arts and Culture Grant Panel acting as a subcommittee of the Advisory Committee. The Arts and Culture Grant Panel will review eligible applications, score and make final funding recommendations. The Panel will review and score applications of Level 1 organizations (Operating budgets below $150,000) first, as one group and in the order of which the application was received. Level 2 and 3 applications will then be reviewed as one group and in the order of which the application was received.

The Arts and Culture Grant Panel meeting on August 2nd is open to the public. Applicants will be invited to answer questions posed by panelists before their score is given by the panelists. Therefore, applicant organizations are strongly encouraged to attend given that panelist scores may reflect panel questions and applicant answers given during the process.

Scoring and Allocation of Awards

The Arts and Culture Grant Panel will evaluate applications and recommend a score for each application. After panel review and discussion final scores will be averaged. Applications must achieve an average point score of 80.0 of a possible 100 points to be eligible for funding. We strongly encourage applicants to download and view the Scoring Rubric that panelists will be using. This may be downloaded at:
http://www.stpete.org/assistance/grants_and_contracts/internal_grants_program.php

The average score will then be converted into a three digit percentage and multiplied by the award category to calculate the potential grant award. In the case where there are not enough funds or additional funds after the potential awards have been calculated, the panel will decide how to calculate the reduction or increase of the potential awards.
Evaluation Criteria

This year the City of St. Petersburg grant application is nearly identical to the State of Florida’s Division of Cultural Affairs grant application. The city strongly encourages applicants to apply to the State of Florida for additional funding. It is for this reason that the city made its application nearly identical to the state’s application.

Budget Definitions

**Applicant Cash ($)**
Funds from "Applicant's" present and/or anticipated resources.

For the Operating Budget purposes, this line-item represents withdrawal from savings. This line item is often used to "balance the budget" when expenses exceed other revenues. It shows the applicant's ability to "pay the bills" for all expense items. If there are excess revenues, reduce this line to zero or only the amount needed to balance the budget. Negative numbers cannot be used to balance the budget.

**Cash Reserves ($)**
For most organizations, this will be your savings account, other cash reserves or investments that are available to spend on general operations or programs. The "reserve" will usually increase when there are excess revenues for the year, and decrease if there was a deficit. This is more a year end accounting function than actual day to day activity.

**Government Support: Federal ($)**
Cash support derived from grants or appropriations given for this project (other than this grant request) by agencies of the federal government, or a proportionate share of such grants or appropriations allocated to this project.

**Government Support: Local/County ($)**
Cash support derived from grants or appropriations given for this project by agencies of the local or county government, or a proportionate share of such grants or appropriations allocated to this project.

**Government Support: State Regional ($)**

The documented fair market value of non-cash contributions provided by the grantee or third parties which consist of real property or the value of goods and services directly benefiting and specifically identifiable to the project.

**Matching Funds**
The portion of the project costs not borne by the City of St. Petersburg’s Office of Cultural Affairs.

**Outside Fees and Services: Programmatic ($)**
Payments to firms or persons for the programmatic services of individuals who are not normally considered employees of “Applicant,” but consultants or the employees of other organizations, whose services are specifically identified with the project or programming. Include artistic directors, directors, conductors, conservators, curators, dance masters, composers, choreographers, designers, video artists, filmmakers, painters, poets, authors,
sculptors, graphic artists, actors, dancers, singers, musicians, teachers, instructors, etc. serving in non-employee/non-staff capacities.

**Personnel: Administrative ($)**
Payments for salaries, wages, fees, and benefits specifically identified with the project or programming, for executive and supervisory administrative staff, program directors, educational administrators, managing directors, business managers, press and agents, fundraisers, clerical staff such as secretaries, typists, bookkeepers; and supportive personnel such as maintenance and security staff, ushers and other front-of-the-house and box office personnel.

Cash support derived from contributions given for this project (other than this grant request) by business, corporations and corporate foundations or a proportionate share of such contributions allocated to this project.

**Remaining Proposal Expenses ($)**
