- I arrange for my children's involvement in safe and positive activities and attend as often as possible.
- I am comfortable with my children's online activity.

Youth Pledge

*My daily choices help determine my destiny.
Here are a few things I can do
to have a safe summer:*

- I will never use a gun or a weapon to resolve conflicts.
- I will stand up for a friend in trouble by telling a responsible adult.
- I will set goals for my future, make decisions that help me reach them, and avoid situations that don't support them.
