Please contact Pamela Jones to schedule: 727-892-5498.

Public Participation Report
All applicants are required to contact the applicable Neighborhood Association President and complete the Public Participation Report prior to submittal of an application. Applications without the Public Participation Report will not be accepted. The contact information will be provided to the applicant by staff at the pre-application meeting.

Commission Review
By applying to the Commission, the applicant grants permission for Staff and members of the Commission to visit the subject property to evaluate the request. Applicants with special requests related to timing of site visits should advise Staff in writing at the time of application submittal. Any Code violations found by the City Staff or the Commission members during review of the subject case will be referred to the Codes Compliance Assistance Department.

Legal Notification
All applications made to the Commission are required by Florida Statute and City Code to provide public notification. The applicant will be required to send via the U.S. Postal Service by “Certificate of Mailing” notification letters to all property owners within 200 feet of the subject property. The City will provide one (1) original notification letter, a list of properties, mailing labels, sign, and procedures to complete the posting of the sign and the notification of property owners. These legal notifications must be completed by the dates noted on the Commission schedule with verification of mailing returned to Staff within seven (7) days of the meeting date.

Therefore, it is required that the property owner or authorized representative attend the hearing.

Approvals
If approved, permits, inspections, business taxes, and certificates of occupancy are required, when applicable. All conditions of approval must be completed and approved by the date specified in the report. Failure to satisfy these requirements will invalidate the approval of the request. Approval of a request by the Commission or POD (person officially designated) does not grant or imply other variances from the City Code, FEMA regulations, or other applicable codes. Applicants are advised to contact the Construction Services and Permitting Division at (727) 893-7231 to determine if any other regulations may affect a given proposal.
Applicants are strongly encouraged to obtain signatures in support of the proposal(s) from owners of property adjacent to or otherwise affected by a particular request.

In accordance with LDR Section 16.70.040.1.F.2. “It is the policy of the City to encourage applicants to meet with residents of the surrounding neighborhoods prior to filing an application for a permit requiring review and public hearing. The applicant, at his option, may elect to include neighborhood mediation as a preparatory step in the development process. Participation in the public participation process prior to required public hearings will be considered by the decision-making official when considering the need, or request, for a continuance of an application. It is not the intent of this section to require neighborhood meetings, but to encourage meetings prior to the submission of applications for approval and documentation of efforts which have been made to address any potential concerns prior to the formal application process.”
