

Analytics

Extend your understanding of local crime with the analytics view. With these printable, interactive charts and graphs you can track total crime over time and by percentage. Select a jurisdiction here, to get started.

Alerts

Click **"Get Crime Alerts"** to get started.

Stay informed about crime in your neighborhood with CrimeReports' free email crime alerts. You can receive email alerts for a number of different addresses and choose the types of crimes you are most concerned about. You even control when you receive alerts: daily, monthly, or weekly.

The screenshot shows the 'Create An Email Alert' form. It is divided into several steps:

- STEP 1: Name Your Alert Location:** Includes a text field for the name and a map to select a location.
- STEP 2: Enter the Address and/or Box:** Includes fields for street address, city, state, and zip code.
- STEP 3: Address Your Email Preferences:** Includes checkboxes for 'Daily', 'Monthly', and 'Weekly' alert frequencies, and a 'Save' button.
