Suspect Arrested in Attempted Armed Robbery/Shooting

Arrested Suspect: Rondereko Dermon Watson, aka Rondrico Styles, B/M, 08/09/80, last known address of 324 30 Avenue North, Apt# 1D, St. Petersburg

At approximately 11:12 a.m. this morning, a 2012 white Lincoln rental sedan was involved in an accident at the intersection of 39 Avenue North and 4th Street when it failed to yield from a stop sign to a south bound vehicle.

The driver of the Lincoln, later determined to be Rondereko Watson, fled from the car on foot immediately after the accident along with two male passengers.

Officers responding to the scene of the accident recognized the Lincoln as being related to Watson whom they had been looking for in reference to the December 5th attempted armed robbery/shooting of Cortezz Foster at 1414 20 Avenue South.

Homicide detectives had established probable cause for Watson's arrest yesterday after interviewing the victim Foster at the hospital and were actively trying to locate him prior to the accident taking place.

Officer established a perimeter around the area of the accident scene and Watson along with his two passengers were eventually located and taken into custody.

Watson was actually tracked by a K-9 Unit to the rear of a house located 435 38 Avenue North. He was found lying under a tarp near a dog house when the K-9 alerted on his location and he gave up without resistance.

The lone occupant and driver of the south bound vehicle which collided with the Lincoln was transported to the hospital with non life threatening injuries. I do not have his information at this time.

Detectives are currently interviewing Watson and his associates and I will issue an update once I have received additional information.

The two individuals, Quinton Collier and Arsenio Brinson will not be facing any additional charges beyond those related to the pursuit. Their reason for fleeing from officers appears to be solely related to the firearm and drugs found in their possession at the time they were apprehended.

Efforts to identify the actual suspect are still ongoing and the victim remains hospitalized in serious, but stable condition.
