Detectives Investigate Early Morning Shooting

Victim; Martez Wilson, B/M, 04/05/92

At about 1:30 a.m., this morning officers were called to 2421 28 Street South regarding a reported shooting. Upon arrival officers learned from witnesses that the victim, who had been shot multiple times, had been transported to the hospital by his 21 year old brother.

Officers responded to All Children's Hospital where the victim had been dropped off by his brother. He was alert and spoke to officers briefly in the Emergency Room.

Officers learned that the victim had been seated on the driver's seat of a rented 2010 silver Chevrolet Impala which was parked in the driveway of 2421 28 Street South. Another individual was seated in the front passenger seat and third was standing outside near the driver's door.

At that time a white vehicle drove up and a lone suspect exited armed with a handgun. The suspect approached the driver's side of the Impala and began shooting rounds into the car striking the victim multiple times in the upper torso. The suspect then returned to the white car and fled the area.

The suspect was described as being a B/M in his mid twenties, dark complexion, 5'9", slender build having his hair in long dreads tied back into a pony tail. He was last seen wearing a white tank top and red shorts. The car he arrived in was only described as being a newer model white vehicle.

The victim is currently in serious, but stable condition. No suspect or motive for the shooting has been developed at this point.
