## **St. Petersburg Police Department Conducting a Search Warrant at Shoe Fashion, 3711 5th Avenue North**

Undercover Detectives from the St. Petersburg Police Department are currently conducting a search warrant at Shoe Fashion, 3711 5th Avenue North. They will be there for about one more hour, but not much longer than that.

We are seizing counterfeit merchandise in violation of FSS 831.032.

An undercover supervisor at the scene would be willing to discuss this operation to the media with the caveat that the identity of the supervisor is protected according to FSS 119.

Photographers will need to use care not to photograph undercover detectives at the scene, but they will be more than willing to allow photographers to shoot the seized merchandise that is being removed from the store.
