Video of School Burglaries Released

In the month of June there have been three burglaries committed to Lakewood High School, 1400 54 Avenue South, during the night time hours. It is believed the same suspect has been involved in all three cases as his image has been captured on school security video.

Once inside the school, the suspect utilizes a pry bar to open soft drink machines and takes change.

The suspect is a black male who appears to be in his mid-twenties, 5'9" tall with a muscular build. He is shirtless and appears to have a 12 inch long surgical scar which runs vertically on his stomach area.

The attached video is actually a compilation of two instances which occurred on June 8th and June 10. The last burglary was on June 20th and video has not yet been copied from that case.

On the first portion of the video the suspect is wearing black shorts and in latter portion he has on white shorts. At times he uses a shirt to cover his face as he approaches surveillance cameras.

Burglary detectives are asking for anyone with information to call Det. Ricky Carter at 727-893-4025. Callers may also utilize the Tip Line at 727-892-5000.
