March 28, 2011

## **Police Cruiser Accident 22 Avenue North and 22 Street**

We are currently working a accident involving a St. Peterburg Police cruiser. Preliminary information indicates that the police cruiser, operated by a lone officer, was west bound on 22 Avenue North at the intersection of 22 Street North. An east bound vehicle started to make a left turn on to 22 Street crossing into the path of the cruiser and they collided head on.

The officer was taken to a local hospital for examination, but does not appear to be seriously injured. The driver of the other car had to be extricated from the vehicle, but indications are at this point that the driver's injuries are not life threatening.
