

# STARTING A BUSINESS IN A NEW LOCATION? EXPANDING YOUR CURRENT SITE?

## Congratulations!

As you consider your building plan, you may have a few questions...

- ◆ How do I choose the right space?
- ◆ Are there any fire, building or codes challenges related to that space?
- ◆ Who pays for any improvements that need to be made?
- ◆ Are my plans ready for review?

Learn the answers to these questions, and more, before you develop your plan, sign a lease or contract to purchase.
