Dear Mayor Kriseman,

I recently returned from one of several visits I have made over the past 8 years to Barcelona. A large mall filled with shops, restaurants and bars is connected to the waterfront by a wide pedestrian walkway. It is a bustling hub filled with tourists and locals.

The English website is below so that you can have an idea of what it is like. I think something of this type would be a fabulous "destination" here for all to enjoy.

Perhaps you could even plan a visit to Barcelona to see it!

Sincerely,
Jan Kokernot
