

**St. Petersburg City Council  
Meeting of July 21, 2016**

**Report Item**

**TO:** The Honorable Amy Foster, Chair, and Members of City Council

**SUBJECT:** Recognition of a National League of Cities grant of \$13,000 for the City's Financial Inclusion Systems and City Leadership initiative and approving a supplemental appropriation in the amount of \$13,000 unappropriated balance of the General Fund to the Community Services Department resulting from this grant in support of the initiative.

**BACKGROUND:** The City of St. Petersburg is one of eight cohort cities working with the National League of Cities' Institute for Youth, Education and Families (YEF) as part of a two year technical assistance grant for its Financial Inclusion Systems and City Leadership (FISCL) initiative. As a result of Mayor Kriseman's participation in the Mayors' Institute in Chicago on Financial Inclusion, the City had an opportunity to compete for grant dollars. The City's financial inclusion system building goals presented were: 1) identify missed opportunities to engage youth by providing age appropriate interventions that allow the city to meet individuals where they are; and 2) to identify new approaches to integrate financial empowerment into existing city youth-focused efforts without duplicating resources and programs.

The dollars will be used toward conducting an assessment and inventory of existing youth-focused and/or family-focused city supported programs to identify financial inclusion strategies and data being collected, youth input sessions related to financial literacy and branding/marketing for the city's financial inclusion initiatives.

**RECOMMENDATION:** Support of the attached resolution to approve a supplemental appropriation in the amount of \$13,000 from National League of Cities to the City of St. Petersburg, Community Services Department for the Financial Inclusion Systems and City Leadership initiative.

**COST/FUNDING/ASSESSMENT INFORMATION:** The National League of Cities awarded a \$13,000 grant to the City of St Petersburg for its financial inclusion systems initiative for assessment interns, youth input meetings and marketing. Approval of a resolution for a supplemental appropriation of \$13,000 from the General Fund (0001) to Community Services, Community Services Administration (083-1081) is attached for approval.
