

ST. PETERSBURG CITY COUNCIL
Consent Agenda
Meeting of September 21, 2017

TO: The Honorable Darden Rice, Chair, and Members of City Council

SUBJECT: A resolution authorizing the Mayor or his designee to accept funding from Pinellas County's Water Rescue Grant Program in the amount of \$30,000 for the specific purpose of supporting operations, maintenance, equipment, and training for water rescue preparedness and response on a countywide basis; to execute all documents necessary to effectuate this transaction; approving a supplemental appropriation in the amount of \$30,000 from the increase in the unappropriated balance of the General Fund (0001) resulting from these additional revenues to the Fire Rescue Department, Operations (150-1497); and providing an effective date.

EXPLANATION: In September 2016, Pinellas County passed Resolution 16-69 establishing an EMS Water Rescue Grant Program for fiscal years 2015/2016 and 2016/2017 and provided funding of \$30,000 to the City for each fiscal year.

On August 15, 2017, Pinellas County passed Resolution 17-47. This resolution re-established the EMS Water Rescue Grant Program. The countywide program will be a collaboration between the Emergency Medical Service Authority and fire rescue agencies within the County to support enhanced operations, maintenance, equipment, and training through a two year plan. The program was created to provide the enhanced preparedness and response to waterborne medical emergencies and rescue situations through the support of a countywide program that provides funding support for operations, maintenance, equipment and training necessary to improve and expand the capacity and capability of the various fire rescue water rescue resources in the county.

The program is for fiscal year 2017/2018 and will provide funding in the amount of \$30,000 for the operations and maintenance of M11, FB11, and DV11. A memo was issued by the County on August 28, 2017 revising the amount received by the City per year from \$35,000 to \$30,000 due to the removal of a piece of equipment (M15) that is no longer in service. Funding may also be provided for certain equipment and training.

RECOMMENDATION: Administration recommends authorizing the Mayor or his designee to accept funding from Pinellas County's Water Rescue Grant Program in the amount of \$30,000 for the specific purpose of supporting operations, maintenance, equipment, and training for water rescue preparedness and response on a countywide basis; to execute all documents necessary to effectuate this transaction; approving a supplemental appropriation in the amount of \$30,000 from the increase in the unappropriated balance of the General Fund (0001) resulting from these additional revenues to the Fire Rescue Department, Operations (150-1497); and providing an effective date.

COST/FUNDING/ASSESSMENT INFORMATION: Revenues in the amount of \$30,000 will be received from Pinellas County. Funding will be available after the approval of the supplemental appropriation in the amount of \$30,000 from the increase in the unappropriated balance of the General Fund (0001) resulting from these additional revenues, to the Fire Rescue Department,

Operations (150-1497).

PINELLAS COUNTY EMS WATER RESCUE GRANT PROGRAM

RESOLUTION 17- 47

A RESOLUTION ESTABLISHING AN EMS WATER RESCUE GRANT PROGRAM; PROVIDING FOR ITS PURPOSE; PROVIDING FOR THE PROVISION OF FUNDING TO SUPPORT OPERATIONS, MAINTENANCE, EQUIPMENT AND TRAINING FOR WATER RESCUE PREPAREDNESS AND RESPONSE ON A COUNTYWIDE BASIS; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, in order to provide Water Rescue services to the citizens and visitors of Pinellas County, it is essential to continue to improve and expand the capability, expertise and resources to handle situations where such emergency services are needed; and

WHEREAS, the fire rescue agencies respond to various waterborne emergency incidents; and

WHEREAS, the fire rescue agencies are all signatories to the automatic aid agreement among all of the fire rescue agencies within Pinellas County and respond without regard to jurisdictional boundaries when emergency calls are received; and

WHEREAS, the County, acting as the Emergency Medical Services Authority, wishes to collaborate with such agencies to establish and sustain a countywide Water Rescue Grant Program that will support enhanced operations, maintenance, equipment and training.

NOW THEREFORE BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF PINELLAS COUNTY, ACTING AS THE EMERGENCY MEDICAL SERVICES AUTHORITY (“AUTHORITY”), THAT:

SECTION 1. EMS WATER RESCUE PROGRAM.

- (a) Role. There hereby exists an EMS Water Rescue Grant Program to provide for the enhanced preparedness and response to waterborne medical emergencies and rescue situations through the support of a countywide program that provides funding support for operations, maintenance, equipment and training necessary to improve and expand the capacity and capability of the various fire rescue water rescue resources.
- (b) Purpose of Funding. In exchange for funding, equipment and training from Authority as outlined herein, the fire rescue agencies will make available water rescue resources and personnel, who are trained and equipped to respond to any Water Rescue incident to rescue patients and provide medical treatment throughout Pinellas County.

Water Rescue incidents include, but are not limited to, providing emergency response, medical aid, and search and rescue services operating in water, in all weather and all hazard environments in Pinellas County and its surrounding waters, including environments of extreme weather, flooding, debris, fire, entrapment, ejections from vessel and distressed swimmers.

- (c) Definitions. Unless the context otherwise requires, capitalized terms used herein shall have the following meanings ascribed to them:

“Dive Team” means personnel that provide dive, rescue, recovery and black water rescue services.

“Fire Rescue Boat” or “(FB)” means a specialized vessel that is designed for firefighting, emergency response, medical aid and search and rescue.

“Light Marine” or “(LM)” means a small, powerful and agile vessel such as a personal watercraft with a rescue sled that is used for rescues in many different environments.

“Marine Unit” or “(M)” means a specialized vessel such as a boat or inflatable that is designed to meet individual mission requirements such as emergency response, medical aid, and search and rescue.

“Rapid Diver System” means a fast donning, lightweight, all-inclusive scuba system to be used in place of traditional bulky scuba equipment.

- (d) Water Rescue Coordinators. Participating fire rescue agencies shall designate a named person to serve as a Water Rescue Coordinator to actively participate in the Water Rescue committee, assist with equipment and training needs assessment; assist in the coordination and participation of their individual agency.

SECTION 2. WATER RESCUE FUNDING AND SUPPORT.

- a) Supplemental Operating and Maintenance Funding. The Authority will provide supplemental operating and maintenance funding each fiscal year as indicated in Appendix "A"
- b) Equipment and Training. The Authority will provide equipment and training, which may include instructors and training materials, as described in Appendix "B", but shall not include funding for salaries for students to attend training. Other identified training or equipment needs will be met at the discretion of the Authority's executive director to the extent of budgeted available funds for such purposes. Equipment will be provided to individual fire rescue agencies as determined by the Authority's executive director within the budgetary constraints of this Resolution.
- c) Term & Payment. This program will remain in place until vacated by the Authority. Payments will be made in lump sum each fiscal year for the duration of this program.
- d) Fiscal Non-Funding. In the event sufficient budgeted funds are not available in any fiscal period, the Authority shall notify the fire rescue agencies in writing within five (5) days of the determination of such occurrence.
- e) Not to Exceed Cap. Expenditures for this program shall not exceed \$300,000.00 in any fiscal year. .
- f) Authority Assets. All assets purchased by the Authority shall remain the property of the Authority. Assets may be provided to fire rescue agencies for use through a "hand receipt" process. The Authority will maintain such equipment during the equipment's safe useful life.

SECTION 3. EFFECTIVE DATE

This Resolution shall take effect immediately upon its adoption.

Commissioner Eggers offered the foregoing Resolution and moved its adoption, which was seconded by Commissioner Welch, and upon roll call the vote was:

Ayes: Long, Welch, Eggers, Gerard, Justice, Morrioni, and Seel.

Nays: None.

Absent and not voting: None.

MEMORANDUM

TO: Karen Cervone-Nitz, Accounting and Contracts Manger

THROUGH: Craig Hare, Director *AHme*

FROM: Sandy Brooking, Contract Administration Coordinator *Sandy Brooking*

SUBJECT: Water Rescue funding update

DATE: August 28, 2017

On August 15, 2017, The Board of County Commissioners approved resolution 17-47, the Pinellas County EMS Water Rescue Grant Program. This program has been established to support enhanced operations, maintenance, equipment and training indefinitely, until program is vacated by the EMS Authority.

The operating and maintenance funding is listed in Appendix A, with other training or equipment needs being met with the discretion of the Authority's executive Director.

This memorandum is to clarify the FY 17/18 payments for the addition and deletion of vessels as per the authority granted to the EMS Director stated at the bottom of Appendix A.

M15 belonging to the City of St. Petersburg has been removed from service and will not receive funding at all. In the event St. Petersburg reinstates M15, a notification will be sent to you.

M27 belonging to Pinellas Suncoast Fire & Rescue was not listed in Appendix A, however, the unit is in service and will receive the \$5,000 operating and maintenance funding each fiscal year.
