

A RESOLUTION OF THE CITY OF ST. PETERSBURG HEALTH FACILITIES AUTHORITY DELEGATING AUTHORITY TO MODIFY THE VARIABLE INDEX RATE ON CERTAIN OUTSTANDING OBLIGATIONS FROM CERTAIN LONDON INTERBANK OFFERED RATES ("LIBOR") TO A SUBSTITUTE RATE; AND PROVIDING AN EFFECTIVE DATE FOR THIS RESOLUTION.

WHEREAS, the City of St. Petersburg Health Facilities Authority, a health facilities authority created and existing under the laws of the State of Florida (the "Authority") has, at the request of borrowers, issued, pursuant to applicable laws of the State of Florida (the "State"), its bonds, notes and other evidences of indebtedness (the "Bonds") and loaned the proceeds thereof to borrowers (each a "Borrower") who have agreed to repay such Bonds to the holders of such Bonds; and

WHEREAS, the Bonds are payable solely from revenues and other security of the related Borrower and are not direct obligations of the Authority; and

WHEREAS, the interest on certain Bonds (the "LIBOR Bonds") bear interest at a variable rate based on a formula utilizing the London Interbank Offered Rate, commonly referred to as "LIBOR," as a reference index (the "LIBOR Index"); and

WHEREAS, the Intercontinental (ICE) Benchmark Administrator has announced that it will cease publishing certain LIBOR rates after June 30, 2023; and

WHEREAS, the Authority, each Borrower and each of the holders of such LIBOR Bonds (each a "Holder") desire to make certain amendments to the LIBOR Bonds and related agreements (the "Bond Documents") to replace the LIBOR Index with a substitute index, whether now existing or subsequently developed (the "Replacement Index"), that is deemed approximately equivalent to the LIBOR Index and to make other related adjustments and amendments as may be necessary and appropriate for the implementation and administration of the Replacement Index, and to establish an effective date of the Replacement Index (which could become immediately effective upon determination that the LIBOR Index is no longer reliable or unascertainable or at such other date as set forth in such amendments); and

WHEREAS, in order for such Borrowers and Holders to amend the applicable LIBOR Bonds and Bond Documents, it is now necessary for the Authority to authorize the necessary amendments and delegate authority for the execution and delivery of the necessary documents.

IT IS THEREFORE, DETERMINED AND RESOLVED BY THE MEMBERS OF THE CITY OF ST. PETERSBURG HEALTH FACILITIES AUTHORITY THAT:

SECTION 1. AUTHORITY FOR THIS RESOLUTION. This Resolution, hereafter called "Resolution," is adopted pursuant to the provisions of the Constitution and laws of the State, Chapter 154, Part III, Florida Statutes, as amended, and other applicable provisions of law.

SECTION 2. AUTHORIZATION OF EXECUTION AND DELIVERY OF AMENDMENTS TO BOND DOCUMENTS. The Chairperson, Vice Chair, Secretary or any

other member of the Authority (each, being an "Authorized Officer") are, subject to the terms hereof, hereby authorized and empowered upon request of any applicable Borrower and any applicable Holder to execute and deliver the amendments to the LIBOR Bonds and the Bond Documents to replace the LIBOR Index with the Replacement Index as necessary to effectuate the change to the Replacement Index. Throughout this Resolution when reference is made to an "Authorized Officer," each Authorized Officer may act independently and interchangeably in performing the duties and functions resolved herein.

The Authority will not enter into such amendments unless the Authority has received consent from the applicable Borrower and the applicable Holder, and the Authority has received a satisfactory opinion of bond counsel regarding the fact that the amendments will not in and of themselves adversely affect the excludability of interest on the LIBOR Bonds from gross income for federal income tax purposes; provided, however, no such opinion shall be required if the LIBOR Bonds were not tax-exempt at the time of issuance. Additionally, the Authority will not enter into such amendments unless (1) the amendments constitute a "covered modification" for purposes of the Internal Revenue Code of 1986, as amended, (2) there are no other amendments to the Bond Documents other than those necessitated by the cessation of the LIBOR Index and (3) the amendments do not constitute a reissuance for tax purposes.

SECTION 3. AUTHORIZATION OF EXECUTION OF OTHER CERTIFICATES AND OTHER INSTRUMENTS. The Authority and the Authorized Officers, employees and agents of the Authority acting on behalf of the Authority are hereby authorized and directed to execute such documents, instruments and contracts, whether or not expressly contemplated hereby, and to do all acts and things required by the provisions of this Resolution and by the provisions of the LIBOR Bonds and the Bond Documents (including any required filings) authorized herein, as may be necessary for the full, punctual and complete performance of all the terms, covenants, provisions and agreements herein and therein contained, or as otherwise may be necessary or desirable to effectuate the purpose and intent of this Resolution, or as may be requested by the Holder or the Borrower. The Authorized Officers are hereby designated as the primary officers of the Authority charged with the responsibility of entering into the amendments.

SECTION 4. NO PERSONAL LIABILITY. No representation, statement, covenant, warranty, stipulation, obligation or agreement herein contained, or contained in the amendments authorized herein, or any certificate or other instrument to be executed on behalf of the Authority in connection with such amendments shall be deemed to be a representation, statement, covenant, warranty, stipulation, obligation or agreement of any member, officer, employee or agent of the Authority in his or her individual capacity, and none of the foregoing persons nor any member or officer of the Authority executing the LIBOR Bonds or the Bond Documents shall be liable personally thereon or be subject to any personal liability of or accountability by reason of the execution or delivery thereof.

SECTION 5. PREREQUISITES PERFORMED. All acts, conditions and things relating to the passage of this Resolution required by the Constitution or other laws of the State to happen, exist and be performed precedent to the passage hereof have happened, exist and have been performed as required.

SECTION 6. SEVERABILITY OF INVALID PROVISIONS. If any one or more of the covenants, agreements or provisions herein contained shall be held contrary to any express

provisions of law or contrary to the policy of express law, though not expressly prohibited, or against public policy, or shall for any reason whatsoever be held invalid, then such covenants, agreements or provisions shall be null and void and shall be deemed separable from the remaining covenants, agreements or provisions, and shall in no way affect the validity of any of the other provisions hereof.

SECTION 7. EFFECTIVE DATE. This Resolution shall take effect immediately upon its adoption.
