

RDC FINAL REPORT—PROPOSED OUTLINE

1. Introduction to Report

- (A) Purpose of Redistricting
- (B) Summary of applicable 2020 Census data
- (C) Federal process requirements
- (D) City Charter process requirements

2. The RDC

- (A) Membership and support
- (B) Summary of organizational meeting
- (C) Summary of rules (details in appendix)
- (D) Summary of meetings and public hearings

3. Redistricting Criteria

- (A) Common general criteria
- (B) Charter specific criteria

4. Redistricting Plans Considered

- (A) Summary of RDC consideration and development of alternate maps
- (B) Description of recommended plan
 - (i) Citywide map and (general) description
 - (ii) Per-district map and description.
- (C) Conformity of recommended plan criteria and data¹
- (D) Changes resulting from new plan
 - (i) Number of people changing districts
 - (ii) Changes to neighborhoods (summary here, with references to appendix with full list of active neighborhoods)

¹ This would include population equality, contiguity, compactness, neighborhood integrity, voter precincts, and any other applicable factor.

5. Recommendations to clarify Charter regarding redistricting criteria

- (A) Summary of problems encountered by RDC during process
- (B) Recommendation to City Council for future changes

6. Appendices

- (A) Final RDC Rules
- (B) Neighborhoods by name with summary of changes²
- (C) Neighborhoods by district
- (D) Ordinance Recommended to the City Council

² This summary would include information like current population, current district(s), and proposed district(s).
