FOR IMMEDIATE RELEASE

WATER LINE BREAK IN THE VICINITY OF GANDY BLVD. AND 94TH AVE. N

ST. PETERSBURG, FL (September 28, 2016) – City water crews are on the scene of a possible water main break on the northwest corner of Gandy Blvd. and 94th Ave. N. No customers are affected at this time. There may be minimal disruptions in the area (after hours) as workers isolate the break and do the necessary repairs. The line is currently under pressure and is being directed into the city's storm drain system. Water quality will not be affected. Traffic disruptions are not anticipated. Repairs are expected to be completed by the end of the week depending on the extent of the break.
