Variance to Pumping Frequency Application Form

1. Facility Name: _____
Street: _____
City: _____ State: _____ Zip: _____

2. Designated facility contact:
Name: _____
Title: _____
Telephone number: _____

3. Grease Hauler Name: _____

4. Next date and time the interceptor will be pumped and cleaned:

5. \$275.00 fee payable to the City of St. Petersburg

I have read Section 27-334(d)(2) and (d)(3) of the St. Petersburg City Code and have determined that monthly pumping of the grease interceptor is unnecessary in order to maintain compliance. I am submitting a request for a variance together with the \$275.00 fee. I understand that inspectors from the Grease Management Program will be inspecting the grease interceptor at a minimum of every fifteen days until the new pumping frequency has been determined. In no case will be pumping frequency exceed 6 months. The Grease Management Program will issue an amended permit if the variance is granted.
